HEALTH DUES/PREMIUMS

An Employee's Premiums will automatically increase the first day of the plan year following the plan year in which an age change that moves the Employee into the next higher age category occurs. Dependent age changes will similarly affect the portion of the premium attributed to them, if any. The Premiums set forth above do not include coverage for dental (other than pediatric dental benefits), vision (other than pediatric vision benefits), or life insurance when applicable.

The Employer must be located in, and the Employee and all Dependents must live, reside, or work in, the Service Area to be eligible for this health plan.

IMPORTANT

No person has the right to receive the Benefits of this Contract for services or supplies furnished following termination of coverage, except as specifically provided in the *Group Continuation of Group Coverage, Extension of Benefits, and Continuity of Care* sections of the Evidence of Coverage. Other than noted exceptions, Benefits of this Contract are available only for services and supplies as included in the applicable sections of the Evidence of Coverage, furnished during the term the Contract is in effect and while the individual claiming Benefits is actually covered by this Contract. Benefits may be modified during the term of this Contract under the applicable section in *Part V. Premiums, Part VIII. General Provisions, D. Changes: Entire Contract*, or upon renewal. If Benefits are modified, the revised Benefits (including any reduction in Benefits or the elimination of Benefits) apply for services or supplies furnished on or after the effective date of the modification. There is no vested right to receive the Benefits of this Contract.

TABLE OF CONTENTS

PART I. INTRODUCTION

Blue Shield of California ("Blue Shield") will provide or arrange for the provision of services to eligible Subscribers and Dependents of the Contractholder in accordance with the terms, conditions, limitations, and exclusions of this Group Health Service Contract ("Contract").

The EOC is included and made part of this Contract

PART II. DEFINITIONS

In addition to the provisions contained in the "*Definitions*" section of the Evidence of Coverage, the following provisions apply to this Contract:

Employee - an individual engaged in the conduct of the business of the Employer and whose duties in such employment are performed at the Employer's regular places of business. This individual is a permanent employee and works a normal workweek of an average of 30 hours per week over the course of a month. At the option of the Employer and elected prior to issuance of the Contract, an Employee may also include a permanent employee who works at least 20 hours per normal workweek for at least 50 percent of the weeks in the previous calendar quarter. An individual who works on a part-time, temporary, or substitute basis is not included in this definition (e.g., short-term employment).

PART III. ELIGIBILITY

A. Employee Eligibility, Waiting Periods and Open Enrollment

In addition to the provisions contained in the *Eligibility and Enrollment* section of the Evidence of Coverage, the following provisions apply to this Contract:

1. The date of eligibility of Employees who enroll during the initial enrollment period shall be determined as follows:

   a. Inasmuch as this Contract replaces a Contract between Blue Shield and the Employer, each individual in the employ of the Employer on the effective date of this Contract who was a Subscriber of Blue Shield by virtue of the Employer's previous Contract on the date immediately preceding the effective date of this Contract, who lives and/or works in the Plan Service Area is eligible on the effective date of this Contract.

   b. Each individual, except as provided in paragraph a. above, shall be eligible to enroll on the first of the month following the completion of any applicable waiting period established by the Employer.

   c. If associated Employers are added, the effective date of the amendment adding an associated Employer shall be treated as the effective date of this Contract for the purpose of determining the date of eligibility of the Employees of such Employer.

2. The date of eligibility of a former Employee, who has been re-employed, shall be determined as follows: The Employee's period of service prior to termination of employment shall be included in the determination of his date of eligibility, provided:

   a. he has resumed active work within 6 months after such termination; or

   b. if his previous employment was terminated due to entry into the Armed Forces, he has resumed active work within the time set by law for reinstatement of employment rights. However, there will be no waiting periods as prohibited by The Military & Veterans Code; or

   c. if termination was due to disability, he has resumed active work within one month after ceasing to be disabled;

   otherwise he shall be considered as an Employee entering the employ of the Employer on the date he resumed work and shall be eligible on the date he completes the period of service specified in *A.1.b.*

3. If any class of Employees is not eligible under *A.1.*, and if an Employee transfers from such ineligible class to an eligible class, he shall be considered as having entered the employ of the Employer on the date of such transfer. Service in an ineligible class shall not be included in the determination of the date of eligibility.

4. The Employer agrees to offer health Benefits coverage to all eligible Employees during the initial enrollment period and distribute information as set forth in *Part IX., Contractholder Responsibility for Distribution and Notification Requirements*. In addition, the Employer agrees to get the Employee's signed acknowledgment of an explicit written notice in bold type specifying that failure to elect coverage during the initial enrollment period permits the Plan to impose, at the time of the Employee's later decision to elect coverage, an exclusion from coverage for a period of 12 months, or at the Employer's next Open Enrollment Period, whichever is earlier, unless the Employee meets the criteria for a Special Enrollment Period as defined in the Evidence of Coverage. Blue Shield will not consider applications for earlier effective dates.

5. An Employee may transfer enrollment for himself or his Dependent(s) from another group health plan sponsored by the Employer to the health Plan covered by this Contract only during the Employer's annual Open Enrollment Period. The effective date of Benefits for such Employee and Dependent(s) shall be the first day of each subsequent January. Submission of evidence of acceptability is not required when application is made during this Open Enrollment Period.

6. The Employer shall timely report any additions or terminations of Employees or Dependents so that retroactive Premiums adjustments are avoided and claims are not paid for ineligible individuals. However, if the Employer

determines that it has made an administrative error in the processing of eligibility for an Employee or Dependent, Blue Shield will accept the retroactive changes subject to the following limitations:

a. Blue Shield will accept enrollment of the Employee or Dependent retroactively for a maximum of 60 days, as long as Premiums are paid by the Employer for the entire retroactive enrollment period. If an Employee or Dependent is retroactively enrolled pursuant to this, and the Employee or Dependent received covered health care services during that retroactive period, Blue Shield will reimburse the Employee for payments made for Covered Services received in accordance with the rules of the EOC, minus the Member's Copayments or Coinsurance as stated in the EOC;

b. Blue Shield will accept termination/disenrollment of the Employee or Dependent retroactive for a maximum of 60 days and will refund appropriate Premiums paid for the retroactive termination period. In such case, Blue Shield reserves the right to request refund from the Employee for any payments made for services rendered during the retroactive termination period. In making a request for retroactive termination or disenrollment, Contractholder shall comply with all applicable state and federal law, including, but not limited to, the Patient Protection & Affordable Care Act and any related regulations.

7. The Employer agrees to comply with the requirements of Section 2708 of the Patient Protection & Affordable Care Act (Section 2708), which prohibits an employer from imposing a prohibited waiting period. "Waiting period" means a period that is required to pass before an otherwise eligible Employee will be able to enroll in coverage under the Group Contract. Specifically, Employer agrees:

   a. Any conditions of eligibility or waiting periods imposed on the eligible Employee will comply with the requirements of Section 2708 and California state law and any rules and regulations implementing those requirements.

   b. Employer will notify Blue Shield if Employer imposes a waiting period on an eligible Employee that would exceed the time-period permitted by Section 2708.

   c. The Employer must ensure that any orientation period that may be imposed by the Employer prior to the start of the waiting period is consistent with federal regulations. The Employer will notify Blue Shield of the Employee's eligibility for coverage after the orientation period.

   d. Employer will notify Blue Shield if any changes are made regarding these representations.

   e. Employer will hold Blue Shield harmless for any violation of the requirements of Section 2708 or California state law.

B. Associated Employers

Employees of the following listed Employers associated with the Employer as subsidiaries or affiliates are eligible for Benefits in accord with this Contract. For the purposes of this Contract only, service with any associated Employers shall be considered service with the Employer. The Employer may act for and on behalf of any associated Employers in all matters pertaining to this Contract, and every act done by, agreement made with, or notice given to the Employer shall bind all associated Employers.

PART III. ELIGIBILITY

C. Termination of Benefits

In addition to the provisions contained in the *Termination of Benefits* section of the EOC, the following provisions apply to this Contract:

1. The Benefits of a Subscriber shall cease on the first day of the month following the month in which the Subscriber retires, is pensioned, leaves voluntarily, or is dismissed from the employ of the Contractholder or otherwise ceases to be a member of a class eligible for coverage, unless a different date on which the Subscriber no longer meets the requirements for eligibility has been agreed to between Blue Shield and the Contractholder, except that:

    a. if the Subscriber ceases active work because of a disability due to illness or bodily injury, or because of an approved leave of absence or temporary layoff, payment of Premiums for that Subscriber shall continue coverage in force in accordance with the Employer's policy regarding such coverage; or,

    b. if the Employer is subject to the California Family Rights Act of 1991 and/or the Federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave pursuant to such Acts, payment of Premiums for that Subscriber shall keep coverage in force for the duration(s) prescribed by the Acts. The Employer is solely responsible for notifying Employees of the availability and duration of family leaves.

2. With respect to a newborn child or a child placed for adoption, coverage will cease on the 31st day at 11:59 p.m. Pacific Time following the Dependent's effective date of coverage, except that coverage shall not cease if a written or electronic application for the addition of the Dependent is submitted to and received by Blue Shield within 60 days following the date of birth or placement for adoption.

D. Employer Eligibility/Participation Requirements and Contribution Requirements

1. The Employer will be eligible for this Contract if the Employer is an eligible Employer as herein defined and meets the following requirements set forth in subsections 2. and 3. below:

    a. The Employer must have at least one eligible Employee.

    b. The Employer agrees to offer health Benefits to 100% of its eligible Employees. Those Employees who waive coverage on the grounds that they have other group coverage are not counted as eligible Employees.

    c. The Employer agrees to pay the required Premiums.

    d. The Employer agrees to inform the eligible Employees and Dependents of the availability of coverage and distribute information as set forth in Part IX., Contractholder Responsibility for Distribution and Notification Requirements. In addition, the Employer agrees to inform the eligible Employees and Dependents that those not electing coverage must wait for a period of up to 12 months if they later decide to elect coverage. If the Employee or Dependent initially declines coverage, the Employer agrees to submit a written certification declining coverage signed by the Employee and Employer.

    e. For Employers offering an HMO Plan, Employees and Dependents who are covered by this Contract work or reside in the Service Area of the Plan.

2. The Employer must meet the following participation requirements:

    a. The Employer must enroll 100% of the eligible Employees if the Employer contribution is 100%.

    b. If the Employer contribution is not 100%, the Employer must enroll at least 65% of the total eligible Employees. This includes those enrolled under Blue Shield of California or any of its affiliated companies small group plan, excluding those who have certified that they are declining coverage because they are covered under another employer's health benefit plan or have coverage through a government program; and

    The size of the Employer is determined annually. If after this Contract is issued the Employer does not meet the participation requirements, this Contract shall continue until the Contract anniversary following the date the Employer no longer meets the participation requirements.

PART III. ELIGIBILITY

Participation requirements are waived for Employers new to Blue Shield enrolling during the period of November 15 through December 15 with an effective date of January 1. On and after the first Contract anniversary, the Employer must meet the participation requirements as set forth in this section 2.

3. The Employer must meet the following contribution requirements:

   a. The Employer must contribute either (1) a defined contribution of a minimum $100 per Employee (or the cost of the total Employee Premiums, whichever is less), or (2) a minimum of 50% of the Employee Premiums, and

   b. Payroll deductions are required.

4. The Group Health Service Contract will renew, in accordance with the Renewal of Group Health Service Contract section of the Evidence of Coverage, if the Employer meets and continues to meet all of the eligibility, participation, and contribution requirements set forth in subsections 1., 2., and 3. above.

5. If the Employer does not meet all of the eligibility, participation, and contribution requirements of subsections 1., 2., and 3. above, this Contract can be cancelled at the Contract anniversary following the date the Employer does not meet all of the eligibility, participation, and contribution requirements.

   Cancellation for non-payment of Premiums or for fraud, misrepresentation, or omissions is subject to the requirements set forth in Part VII. B. and C.

PART IV. GROUP RENEWAL PROVISIONS

A. Advance Notification of Blue Shield's Intent to Renew the Group Health Service Contract

The Employer shall be notified by Blue Shield of its intent to renew this Group Health Service Contract at least 60 days prior to the proposed effective date of the renewal. However, this renewal advance notification is distinct from, and does not alter the notification periods specified in *Part V. Premiums, Paragraph D., or in Part VIII. General Provisions, Paragraph D. Changes: Entire Contract*.

B. Renewal of the Group Health Service Contract

Blue Shield will renew this Contract at the option of the Contractholder except in the following instances:

1. Contractholder violates a material contract provision relating to group contributions or group participation requirements as specified under *Part III. D*;
2. Contractholder fails to pay the required Premiums as specified under *Part V. Premiums*;
3. Contractholder commits fraud or other intentional misrepresentation of material fact;
4. Contractholder relocates outside of California;
5. Blue Shield ceases to offer a plan type purchased by the Contractholder;
6. Blue Shield ceases to offer health benefit plans in the state (withdrawal of all products).
7. Contractholder is an association and association membership ceases.

PART V. PREMIUMS

A. Premiums

The monthly Premiums for the Subscriber and any Dependents are shown on the Monthly Premiums Schedule page.

B. When And Where Payable

1. The first month's Premiums must be paid to Blue Shield by the effective date of this Contract and subsequent Premiums shall be prepaid in full by the same date of each succeeding month. No Member will be covered under this Contract until the first month's Premiums payment has been received by Blue Shield.

2. Premiums for Employees and/or Dependents who become eligible on a date other than the bill date are waived for the month during which eligibility for covered Benefits is attained. Premiums for Employees and/or Dependents whose eligibility for covered Benefits terminates on a date other than the bill date are due in full for the month during which eligibility is terminated.

3. All Premiums are payable by the Employer to Blue Shield of California. The payment of any Premiums shall not maintain the Benefits under this Contract in force beyond the date immediately preceding the next transmittal date except as otherwise provided in *Part V. F.*

C. The terms of this Contract or the Premiums payable therefor may be changed from time to time as set forth in *Part VIII., D. Changes: Entire Contract*.

D. The Employer shall remit to Blue Shield the amount specified in *Part V. A.* ("the Premiums"). If a Federal, State or any other taxing or licensing authority imposes upon Blue Shield any tax or fee on account of any of the Employer's health benefit plans that is not included in the Premiums, whether such tax or fee is based on Premiums, gross receipts, enrollment or any other basis, Blue Shield may amend the Contract to increase the Premiums by an amount sufficient to cover any such tax or fee rounded to the nearest cent. This amendment shall be effective as of the date stated in the notice, which shall not be earlier than the date of the imposition of such tax or fee, by mailing a postage prepaid notice of the amendment to the Employer at its address of record with Blue Shield at least 60 days before the effective date of the amendment. In the case of Federal excise taxes, Blue Shield may also amend the Premiums to include any increased Federal income taxes to Blue Shield associated with such Federal excise taxes.

E. If benefit amounts are changed due to a change in the terms of this Contract or if a tax or fee is levied under *Part V. D.*, the Premiums charge therefore may be made, or the Premiums credit therefore may be given, as of the effective date of such change.

F. A grace period of 30 days to pay all delinquent Premiums and avoid cancellation will be granted for the payment of Premiums accruing other than those due on the effective date of this Contract, during which period this Contract shall continue in force, but the Employer shall be liable to Blue Shield for the payment of all Premiums accruing during the period the Contract continues in force during the grace period. Blue Shield will send a Notice of Start of Grace Period to the Employer after the last date of paid coverage. The 30-day grace period begins on the day the Notice of Start of Grace Period is dated. Cancellation for non-payment of Premiums shall be in accordance with *PART VII.B.*

PART VI. INTER-PLAN ARRANGEMENTS (BLUECARD® PROGRAM AND OTHERS)

Out-of-Area Services

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as Inter-Plan Arrangements. These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association. Whenever a Member accesses services outside of California, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements available to Members under this agreement are described generally below.

When Members access services outside of California, they may obtain care from participating health care providers that have a contractual agreement with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). In some instances, Members may obtain care from non-participating health care providers in the Host Blue geographic area that do not have a contractual agreement with the Host Blue. Blue Shield's payment practices in both instances are described below.

The Blue Shield Trio HMO plan covers only limited health care services received outside of California. As used in this section, Out-of-Area Covered Health Care Services are restricted to Emergency Services, Urgent Services, and Out-of-Area Follow-up Care obtained outside of California. Any other services will not be covered when processed through an Inter-Plan Arrangement, unless authorized by Blue Shield.

BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this arrangement, when Members access Out-of-Area Covered Health Care Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for fulfilling our contractual obligations. However, the Host Blue will be responsible for contracting and handling substantially all interactions with its participating providers.

The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar copayment, the calculation of Member liability on claims for Out-of-Area Covered Health Care Services processed through the BlueCard Program will be based on the lower of the provider's billed charges or the negotiated price made available to Blue Shield by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's health care provider contracts. The negotiated price made available to Blue Shield by the Host Blue may be represented by one of the following:

(i) an actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed, without any other increases or decreases, or

(ii) an estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced, or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements, and performance-related bonuses or incentives; or

(iii) an average price. An average price is a percentage of billed charges for Out-of-Area Covered Health Care Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its health care providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether or not it will use an actual price, an estimated price, or an average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price Blue Shield pays on a specific claim and the actual amount the Host Blue pays to the provider. However, the BlueCard Program requires that the amount paid by the Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

PART VI. INTER-PLAN ARRANGEMENTS (BLUECARD® PROGRAM AND OTHERS)

Inter-Plan Arrangements: Federal/State Taxes/Surcharges/Fees

In some instances, federal or state laws or regulations may impose a surcharge, tax, or other fee that applies to insured accounts. If applicable, Blue Shield will include any such surcharge, tax, or other fee in determining your premium.

Non-Participating Providers Outside of California

When Out-of-Area Covered Health Care Services are received from non-participating providers outside of California, but within the BlueCard Service Area, the amount(s) a Member pays for such services will generally be based on either the Host Blue's non-participating provider local payment or the pricing arrangements required by applicable state law. In these situations, the Member may be responsible for the difference between the amount that the non-participating provider bills and the payment Blue Shield will make for the Out-of-Area Covered Health Care Services as set forth in this paragraph.

Claims for covered Emergency Services are paid based on the Allowed Charges as defined in the EOC.

Blue Shield Global Core

If Members are outside the BlueCard Service Area, they may be able to take advantage of Blue Shield Global Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard Service Area. Although Blue Shield Global Core assists Members with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when Members receive care from providers outside the BlueCard Service Area, Members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services. Details for Blue Shield Global Core claim submission are provided in the *Inter-Plan Arrangements* section of the EOC.

PART VII. CANCELLATION/REINSTATEMENT/GRACE PERIOD

A. Cancellation Without Cause

The Employer may cancel this Contract at any time by written notice delivered or mailed to Blue Shield, effective on receipt or on such later date as specified in the notice.

B. Cancellation for Non-Payment of Dues/Premiums

Blue Shield may cancel this Contract for non-payment of Premiums. If Premiums are not received when due, coverage will end the day following the 30-day grace period, as described in Part V.F. hereof. The Employer will be liable for all Premiums accrued while this Contract continues in force including those accrued during the 30-day grace period. In such case, Blue Shield will send a Notice of End of Coverage to the Employer and enrolled Employees no later than five calendar days after the date coverage ends. A new application for coverage will be required by the Employer and a new Contract will be issued only upon demonstration that the Employer meets all underwriting requirements at the time of application.

C. Cancellation/Rescission for Fraud, Intentional Misrepresentations of Material Fact

Blue Shield may cancel or rescind this Contract within 24 months following issuance for fraud or intentional misrepresentation of material fact by the Employer; or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative. Fraud or intentional misrepresentations of material fact on an application may, at the discretion of Blue Shield, result in the cancellation or rescission of this Contract. A rescission voids the Contract retroactively as if it was never effective. Blue Shield will send the Notice of Cancellation, Rescission or Nonrenewal to the Employer prior to any rescission. The Employer must provide enrolled Employees with a copy of the Notice of Cancellation, Rescission or Nonrenewal.

D. Cancellation of the Trio HMO Health Plan

This Trio HMO Health Plan is only available when offered alongside a Blue Shield PPO Health Plan ("multiple plans"). This multiple plan coverage must be maintained in order for coverage under the Trio HMO Health Plan to remain in effect, and any termination will be effective as of the same date.

E. Grace Period

The Employer shall be entitled to a grace period of 30 days for payment of Premiums, as described in *PART V.F.* hereof. If during a Premiums grace period written notice is given by the Employer to Blue Shield that the Contract or (subject to the consent of Blue Shield) any part of the Contract is to be discontinued before the expiration date of the grace period, the Contract or such part shall be discontinued as of the date specified by the Employer or the date of receipt of such written notice by Blue Shield, whichever is the later date. The Employer shall be liable to Blue Shield for the full month's payment of Premiums if discontinuance of coverage occurs on or after the 15th of the month. If discontinuance of coverage occurs prior to the 15th of the month then Premium payment will be waived and refunded to the Employer.

F. Payment or Refund of Dues/Premiums Upon Cancellation

In the event of cancellation, the Employer shall promptly pay any earned Premiums which have not previously been paid. Blue Shield shall within 30 days of cancellation (1) return to the Employer the amount of prepaid Premiums, if any, that Blue Shield determines have not been earned as of the effective date of cancellation, and (2) provide Benefits of the Plan for services incurred during the time coverage was in effect up to and including the effective date of cancellation.

G. Termination of Benefits

No Benefits shall be provided for services rendered after the effective date of cancellation, except as specifically provided in the *Group Continuation of Coverage and Extension of Benefits* sections of the Evidence of Coverage.

In the event this Contract is cancelled for any reason, including but not limited to for non-payment of Premiums, no further Benefits will be provided after cancellation unless the Member is a registered Inpatient or is undergoing treatment for an ongoing condition and obtains an extension of Benefits in accordance with the *Extension of Benefits* section of the Evidence of Coverage.

H. Employer to Provide Subscribers with Notice of Cancellation, Rescission or Nonrenewal

If this Contract is rescinded, or cancelled by either party, the Employer shall notify the Subscribers. If rescinded or cancelled by Blue Shield, the Employer shall promptly send a copy of Blue Shield's Notice of Cancellation, Rescission or Nonrenewal to each Subscriber and provide Blue Shield proof of such mailing and the date thereof.

PART VIII. GENERAL PROVISIONS

In addition to the provisions contained in the EOC, the following provisions apply to this Contract:

A. Choice of Providers

Blue Shield has established a network of primary care and specialty Physicians, Hospitals, Participating Hospice Agencies, and Non-Physician Health Care Practitioners to provide Covered Services to Members. A Member must obtain or receive approval for all Covered Services from his Primary Care Physician. Each Subscriber must select a Primary Care Physician for himself and each of his Dependents from the list of Primary Care Physicians in the HMO Physician and Hospital Directory. The Physician and Hospital Directory will be given to Members at the time of enrollment. A Member's Primary Care Physician will be accessible to the Member on a 24-hour-a-day, 7-day-a-week basis, or will make appropriate arrangements to assure coverage. Emergency Services will be provided on a 24-hour-a-day, 7-day-a-week basis by all Plan Hospitals. The list of Providers in the Physician and Hospital Directory includes the location and phone numbers of all Primary Care Physicians, Plan Hospitals, and Participating Hospice Agencies in the Primary Care Physician Service Area. Members should contact Member Services for information on Plan Non-Physician Health Care Practitioners in their Primary Care Physician Service Area.

Blue Shield shall provide written notice to the Employer within a reasonable period of time of any termination or breach of Contract of a Plan Provider if such termination or breach may materially affect the Employer or its Subscribers.

Upon termination of a Plan Provider Contract, Blue Shield shall be liable for Benefits rendered by such provider to an eligible Member (other than for Copayments) until the authorized Services being rendered to the Member by the former Plan Provider are completed, unless Blue Shield makes reasonable and medically appropriate provision for the assumption of such Benefits by another Plan Provider.

B. Use of Masculine Pronoun

Whenever a masculine pronoun is used in this Contract, it shall include the feminine gender unless the context clearly indicates otherwise.

C. Workers' Compensation

This Contract is not in lieu of, and shall not affect, any requirements for coverage by Workers' Compensation Insurance.

D. Changes: Entire Contract

This Contract, including appendices, attachments, or other documents incorporated by reference constitutes the entire agreement between the parties, and any statement made by the Employer or by any Subscriber shall, in the absence of fraud, be deemed a representation and not a warranty.

The terms of this Contract, the Premiums payable therefor, and the benefits of this Plan, including but not limited to Covered Services, Deductible, Copayment and annual Out-of-Pocket Maximum amounts, may be changed from time to time. Blue Shield will provide at least 60 days' written notice of any such change, and these changes shall not become effective until at least 60 days after written notice of such change is delivered or mailed to the Employer's last address as shown on the records of Blue Shield. Benefits for services furnished on or after the effective date of any Benefit modification shall be provided based on the modification. No change in this Contract shall be valid unless approved by an executive officer of Blue Shield and a written endorsement is issued. No other representative has authority to change this Contract or to waive any of its provisions.

Notice of changes in Benefits, and any documents that may be delivered to the Employer or the Employer's representative for the purpose of informing Members of the details of their coverage under this Contract, will be distributed by the Employer or his representative as set forth in *Part IX., Contractholder Responsibility for Distribution and Notification Requirements*.

PART VIII. GENERAL PROVISIONS

E. Statutory Requirements

This Contract is subject to the requirements of the Knox-Keene Health Care Service Plan Act, Chapter 2.2 of Division 2 of the California Health and Safety Code and Title 28 of the California Code of Regulations. Any provision required to be in this Contract by reason of the Act or Regulations shall bind Blue Shield whether or not such provision is actually included in this Contract. In addition, this Contract is subject to applicable state and federal statutes and regulations, which may include the Employee Retirement Income Security Act, Health Insurance Portability and Accountability Act ("HIPAA"), the Patient Protection and Affordable Care Act ("PPACA"), and applicable Centers for Medicare and Medicaid Services ("CMS") requirements. Any provision required to be in this Contract by reason of such state and federal statutes shall bind the Group and Blue Shield whether or not such provision is actually included in this Contract.

F. Legal Process

Legal process or service upon Blue Shield must be served upon a corporate officer of Blue Shield.

G. Time of Commencement or Termination

Wherever this Contract provides for a date of commencement or termination of any part or all of this Contract, commencement or termination shall be effective as of 12:01 a.m. Pacific Time of the commencement date and as of 11:59 p.m. Pacific Time of the termination date.

H. Records and Information to be Furnished

The Employer shall furnish Blue Shield with such information as Blue Shield may require to enable it to administer this Plan, to determine the Premiums and to enable it to perform this Contract. CMS specifically requires Blue Shield to obtain the following information: Social Security numbers for Subscribers and dependents over forty-five (45) years of age, Subscriber employment status, Employer identification number and Employer size. Failure to provide any such information required by this Section may result in immediate Cancellation of this Contract.

I. Inquiries and Complaints

Inquiries concerning any problems that may develop in the administration of this Contract should be directed to the Plan at the address or telephone number indicated on page *GC-1* of this Contract. (See also the *Member Services* section of the EOC.)

J. Confidentiality

The Contractholder shall comply with all applicable state and federal laws regarding the privacy and confidentiality of the personal and health information of Subscribers and Dependents. The Contractholder shall not require the Blue Shield to release the personal and health information of individual Subscribers or Dependents without written authorization from the Subscriber, unless permitted by law. No information may be disclosed by either party in violation of Cal. Civ. Code §§ 56, et seq. At the request of the Contractholder, Blue Shield may provide aggregate, encrypted, or encoded data regarding Subscribers and Dependents to the Contractholder, unless such data would explicitly or implicitly identify specific Subscribers or Dependents. To the extent the Contractholder receives, maintains, or transmits personal or health information of Subscribers or Dependents electronically, the Contractholder shall comply with all state and federal laws relating to the protection of such information including, but not limited to, the Health Insurance Portability and Accountability Act (HIPAA) provisions on security and confidentiality.

K. ERISA Plan Administrator

If the Contractholder's Plan is governed by ERISA (29 USC Sections 1001, et seq.), it is understood that Blue Shield is not the plan administrator for the purposes of ERISA. The plan administrator is the Contractholder.

L. Continuity of Care

PART VIII. GENERAL PROVISIONS

Blue Shield will administer continuity of care benefits as described in the Evidence of Coverage during the term of the Contract. Blue Shield will continue to administer continuity of care benefits for a maximum of 90 days following the date of receipt of notice of the termination of this Contract, as required under 42 USCS § 300gg-113.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

The Contractholder has various distribution of notices and Member materials and other notification requirements under this Contract. Some of the major Contractholder distribution and notification requirements are summarized below; however, this is a summary only and is not to be construed as an all-inclusive list.

A. Obtaining Declinations or Waivers of Coverage

All eligible Employees will be offered health benefits coverage during the initial and subsequent enrollment periods. If an Employee elects to decline or waive coverage, the Employer is responsible for obtaining the Employee's signed acknowledgment of receipt of an explicit written notice in bold type specifying that failure to elect coverage during the Open Enrollment Period permits Blue Shield to impose an exclusion from coverage for a period of 12 months or at the Employer's next Open Enrollment Period, whichever is earlier, if the Employee later decides to elect coverage.

B. Distribution of Summary of Benefits and Coverage (SBC)

A summary of benefits and coverage (SBC) will be issued by Blue Shield for all eligible Employees and Dependents. The Employer is solely responsible for the timely distribution of a complete SBC for each benefit plan offered. The Employer will distribute the SBCs free of charge to Members and prospective Members as required by applicable federal law and regulations.

The Employer shall distribute the SBCs in a manner which complies with applicable federal law and regulations. If the Employer does not distribute paper SBCs, then the Employer will ensure that any alternative or electronic distribution method used complies with applicable federal requirements.

If a material modification is made to the Employer's group health plan that impacts the SBC, other than at the time of renewal, then notice of the material change, as provided by Blue Shield, will be distributed by the Employer to the Subscriber and any Dependents no later than sixty (60) days prior to the date on which the modification will become effective. The notice shall be distributed in a manner that complies with applicable federal requirements.

In the event that the Employer fails to distribute SBCs to Members or prospective Members as required herein, Blue Shield will, after notice to the Employer, distribute SBCs as necessary to comply with applicable federal statutes and regulations. In such case, the Employer agrees to reimburse Blue Shield for the reasonable costs incurred by Blue Shield to generate and distribute the SBCs.

C. Distribution of Member ID Cards and EOC Booklets

1. Member ID Cards

Member identification cards will be issued by Blue Shield for all Subscribers and will either be sent to the Contractholder for distribution to the Subscribers, or sent directly to the Subscribers, depending on the Contractholder's instructions.

2. Evidence of Coverage Booklets

An Evidence of Coverage (EOC) which summarizes the Benefits of this Contract and how to obtain Covered Services will be issued by Blue Shield for all Subscribers. Blue Shield will send the EOC to the Contractholder, and, the Contractholder is responsible for distributing the EOC to Subscribers whether in printed, hardcopy or electronic form.

EOCs will be provided to the Contractholder in electronic form (such as by Compact Disk (CD) or posted on Blue Shield's employer website) or in paper hard copy form. If Contractholder receives the EOC in electronic form, Contractholder is not authorized to modify or alter in any way the text or the formatting of the electronic EOC file. Blue Shield assumes no responsibility for any changes in text or formatting that may occur in the EOC after it is provided to Contractholder. If Contractholder receives the EOC in hard copy form, Contractholder will notify Subscribers that printed hard copies of the EOC are available and will promptly distribute to Subscribers.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

Contractholder may ensure electronic distribution of the EOC to Subscribers by one of the following methods: (1) by posting the EOC in a read-only format on an intranet site which is accessed by Employees of Contractholder; (2) by emailing the EOC directly to Subscribers; or (3) by providing Subscribers with Blue Shield's instructions for accessing the EOC from the Blue Shield website.

If Contractholder posts the electronic EOC on its intranet site, it shall do so in such a way so as to permit Employees of Contractholder to download and print a complete and accurate copy of the EOC. Contractholder will notify Employees enrolled with Blue Shield that the EOC for their plan is available to review, download and print from Contractholder's intranet site, and will provide Subscribers with reasonable and appropriate instructions by which to access and print the document from its intranet site.

Contractholder will provide a hard copy of the EOC to an Employee upon request. If Blue Shield receives an inquiry from an Employee of the Contractholder regarding obtaining a copy of the EOC, Blue Shield will refer that individual to Contractholder's human resources benefits staff with instructions that a copy of the EOC is available from Contractholder on request.

In the event Blue Shield reasonably concludes that Contractholder is either using the electronic EOC in a matter not permitted by this Agreement or is not providing Subscribers with access to the EOC in accordance herewith, then Blue Shield will print copies of the EOC, and Contractholder will cooperate with Blue Shield to ensure that printed copies of the EOC are timely provided to all Employees of Contractholder enrolled with Blue Shield. Contractholder agrees to reimburse Blue Shield for the reasonable cost of printing and delivering the EOC documents.

D. Notice of Start of Grace Period or Notice of Cancellation, Rescission or Nonrenewal

Upon receipt of a Notice of Start of Grace Period or a Notice of Cancellation, Rescission or Nonrenewal from the Plan, the Employer shall promptly send any such Notice to each subscriber in a manner which complies with applicable law.

E. Notice of Cancellation, Rescission or Nonrenewal to Subscribers

If this Contract is rescinded, or cancelled by either party, the Employer shall notify the Subscribers. If rescinded or cancelled by Blue Shield, the Employer shall promptly send a copy of Blue Shield's Notice of Cancellation, Rescission or Nonrenewal to each Subscriber and provide Blue Shield proof of such mailing and the date thereof.

F. Notification of COBRA and Cal-COBRA Coverage Option and Other COBRA/Cal-COBRA Notices

The following provisions are applicable only when the Contractholder is subject to Title X. of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). See the Continuation of Group Coverage and Extension of Benefits sections of the Evidence of Coverage for additional information.

1. COBRA

Blue Shield is not the plan administrator or plan sponsor, as those terms are defined by ERISA, for any purpose, including but not limited to COBRA, and has no responsibility for the Contractholder's COBRA administration obligations

To the extent required by COBRA, and upon timely receipt of Premiums and proper enrollment forms, Blue Shield will continue the group coverage to qualified beneficiaries after the period that their coverage would normally terminate under the Contract.

Blue Shield will not be responsible for determining whether a Subscriber or Dependent is eligible to receive continuation coverage; such determination is based on the requirements of COBRA and the procedures established by the Contractholder or its COBRA administrator.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

If the Contractholder or any Subscriber or Dependent fails to meet its obligations under the Contract and COBRA, Blue Shield shall not be liable for any claims of the Subscriber or Dependent after his/her termination of coverage, except as expressly provided in other applicable provisions of the Contract.

The Contractholder is solely responsible for all aspects of the administration of COBRA and any amendments with respect to the group health coverage provided by this Contract. The obligations of the Contractholder, in the event that federal continuation of coverage requirements of COBRA apply to the Contractholder, include the following:

a. Contractholder or its COBRA administrator will complete and timely provide all notices and enrollment forms to all eligible Subscribers and Dependents (including the initial notice of COBRA rights) required under COBRA.

b. Contractholder or its COBRA administrator will establish procedures to verify eligibility for COBRA coverage and receive COBRA election forms from Qualified Beneficiaries.

c. The Contractholder will notify its COBRA administrator (or the Plan administrator if the Contractholder does not have a COBRA administrator) of the Subscriber's death, termination, or reduction of hours of employment, or of the Subscriber's Medicare entitlement, or the Employer's (Contractholder's) filing for reorganization under Title XI, United States Code.

d. Contractholder or its COBRA administrator will establish a determination date upon which applicable COBRA rates may be annually changed and determine the applicable premium amount for qualified COBRA beneficiaries in accordance with its Contract with Blue Shield, adding the 2% administrative fee permitted by COBRA.

e. Contractholder or its COBRA administrator will bill and collect premiums from COBRA Qualified Beneficiaries, and provide timely notification of nonpayment of COBRA continuation coverage premiums, per the terms of the Contract and COBRA.

f. Contractholder or its COBRA administrator will remit premiums to Blue Shield on behalf of the COBRA qualified beneficiary until Blue Shield receives notice from the Contractholder that such beneficiary is no longer entitled to COBRA coverage.

g. Contractholder or its COBRA administrator will provide notification of continuation of coverage rights to the extent required by COBRA or any other federal or state laws as applicable, on termination of COBRA coverage. The Contractholder or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end.

h. Contractholder or its COBRA administrator will inform eligible Subscribers and Dependents of changes in the COBRA law as they occur, including an explanation of the impact of these changes upon COBRA coverage.

i. The Contractholder agrees to assume responsibility for any and all COBRA violations resulting from the failure of the Contractholder or its COBRA administrator to perform its COBRA administration responsibilities.

2. Cal-COBRA

Contractholders subject to the California Continuation Benefits Replacement Act (Cal-COBRA) are responsible for notifying Blue Shield in writing within 30 days when the Contractholder becomes subject to Section 4980B of the United States Internal Revenue Code or Chapter 18 of the Employee Retirement Income Security Act, 29 U.S.C. Section 1161 et seq.

Contractholders subject to the California Continuation Benefits Replacement Act (Cal-COBRA) are responsible for notifying Blue Shield in writing of the Subscriber’s termination or reduction in hours of employment within 30 days of the Qualifying Event.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✔) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✔) next to them in the "CYD applies" column in the Benefits chart above.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year. Any amount you have paid toward the individual Deductible will be applied to both the individual Deductible and the Family Deductible.

3 Using Participating Providers:

Notes

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Participating Pharmacies. Blue Shield has two participation levels for retail pharmacies; Level A and Level B. You can go to any Level A or Level B pharmacy to obtain covered Drugs.

Teladoc. Teladoc mental health and substance use disorder consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowed Charges, and charges for services above any Benefit maximum.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year. Any amount you have paid toward the individual OOPM will be applied to both the individual OOPM and the Family OOPM.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

7 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This Plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this plan's prescription drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

8 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the tier 1 Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum.

Notes

Request for Medical Necessity Review. If you or your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Oral Anticancer Drugs. You pay up to $250 for oral Anticancer Drugs from a Participating Pharmacy, up to a 30-day supply. Oral Anticancer Drugs from a Participating Pharmacy are not subject to any Deductible.

9 Pediatric Dental Coverage:

Pediatric dental Benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Orthodontic Covered Services. The Copayment or Coinsurance for Medically Necessary orthodontic Covered Services applies to a course of treatment even if it extends beyond a Calendar Year. This applies as long as the Member remains enrolled in the Plan.

This plan is compliant with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of Medical Necessity as defined in the Early Periodic Screening, Diagnosis and Treatment (EPSDT) benefit.

10 Pediatric Vision Coverage:

Pediatric vision Benefits are provided through Blue Shield's Vision Plan Administrator (VPA).

Coverage for frames. If frames are selected that are more expensive than the Allowable Amount established for frames under this Benefit, you pay the difference between the Allowable Amount and the provider's charge.

"Collection frames" are covered with no Member payment from Participating Providers. Retail chain Participating Providers do not usually display the frames as "collection," but a comparable selection of frames is maintained.

"Non-collection frames" are covered up to an Allowable Amount of $150; however, if the Participating Provider uses:

- wholesale pricing, then the Allowable Amount will be up to $99.06.
- warehouse pricing, then the Allowable Amount will be up to $103.64.

Participating Providers using wholesale pricing are identified in the provider directory.

Introduction

Welcome! We are happy to have you as a Member of our Blue Shield of California (Blue Shield) health plan.

At Blue Shield, our mission is to ensure all Californians have access to high-quality health care at an affordable price. To achieve this mission, we pledge to:

- Provide personal service to you that is worthy of our family and friends; and
- Build deep, trusting relationships with providers to improve the quality of health care and lower the cost.

A Blue Shield health plan will help you pay for medical care and provide you with access to a network of doctors, Hospitals, and other Health Care Providers. The types of services that are covered, the providers you can see, and your share of cost when you receive care may vary depending on your plan.

About this Evidence of Coverage

The Evidence of Coverage describes the health care coverage that is provided under the Group Health Service Contract (Contract) between Blue Shield and your Employer. The Evidence of Coverage tells you:

- Your eligibility for coverage;
- When coverage begins and ends;
- How you can access care;
- Which services are covered under your plan;
- Which services are not covered under your plan;
- When and how you must get prior authorization for certain services; and
- Important financial concepts, such as Copayment, Coinsurance, Deductible, and Out-of-Pocket Maximum.

This Evidence of Coverage includes a *Summary of Benefits* section that lists your Cost Share for Covered Services. Use this summary to figure out what your cost will be when you receive care.

Please read this Evidence of Coverage carefully. Some topics in this document are complex. About this plan

This is a Health Maintenance Organization (HMO) plan. In an HMO plan, you have access to a network of providers who collaborate to bring you personal, efficient care. You will choose a Primary Care Physician (PCP) who is your first point of contact and manages your care. Your PCP is part of a group of Physicians called a Medical Group. Your PCP can refer you to Participating Providers in your Medical Group for specialized care and assist with other care needs. See the *How to access care* section for information about Participating Providers.

This plan offers a limited choice of Medical Groups and Hospitals. You should review the list of providers in the Trio HMO Physician and Hospital Directory before enrolling in this plan. In some areas, you may need to choose your PCP from within one Medical Group.

How to contact customer service

If you have questions at any time, we're here to help. This plan has a special customer service program called Shield Concierge. How to access care

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Health care professionals and facilities

This plan covers care from Participating Providers within your Medical Group.

Participating Providers

Participating Providers have a contract with a Medical Group in this plan's network. With an HMO plan, there is generally no coverage for services from providers outside of your Medical Group.

If a provider leaves your Medical Group, you will not have coverage for services received from that provider. See the *Continuity of Care* section for more information on how to continue treatment with a Non-Participating Provider.

Visit ***blueshieldca.com*** or use the Blue Shield mobile app and click on ***Find a Doctor*** for a list of your plan's ***Participating Providers***.

Non-Participating Providers

Non-Participating Providers do not have a contract with Blue Shield to accept Blue Shield's Allowed Charges as payment in full for Covered Services. Except for Emergency Services, Urgent Services, and services received at a Participating Provider facility (Hospital, Ambulatory Surgery Center, laboratory, radiology center, imaging center, or certain other outpatient settings) under certain conditions, this plan does not cover services from Non-Participating Providers.

Non-Participating Providers at a Participating Provider facility

When you receive care at a Participating Provider facility, some Covered Services may be provided by a Non-Participating Provider. Your Cost Share will be the same as the amount due to a Participating Provider under similar circumstances, and you will not be responsible for additional charges above the Allowed Charges, unless the Non-Participating Provider provides you written notice of what they may charge and you consent to those terms.

Common types of providers
Primary Care Physicians (PCPs)
Other primary care providers, such as nurse practitioners and physician assistants
Physician Specialists, such as dermatologists and cardiologists

Common types of providers
Physical, occupational, and speech therapists
Mental health providers, such as psychiatrists, psychologists, and licensed clinical social workers
Hospitals
Freestanding labs and radiology centers
Ambulatory Surgery Centers

Benefit Administrators

Blue Shield contracts with Benefit Administrators to manage the Benefits listed in the table below through their own network of providers. Benefit Administrators authorize services, process claims, and address complaints and grievances for those Benefits on behalf of Blue Shield. If you receive a Covered Service from a Benefit Administrator, you should interact with the Benefit Administrator in the same way you would otherwise interact with your PCP.

Blue Shield's Benefit Administrators	
Benefit Administrator	***Benefit***
Dental Plan Administrator (DPA)	Pediatric dental Benefits
Vision Plan Administrator (VPA)	Pediatric vision Benefits
Mental Health Service Administrator (MHSA)	Mental Health and Substance Use Disorder services
ASH Plans	Acupuncture and chiropractic services

Your Primary Care Physician

In an HMO plan, you are required to have a Primary Care Physician (PCP). Your PCP is your first point of contact for any health concern and for Preventive Health Services. Your PCP will also manage other aspects of your care, including:

- Prior authorization requests;
- Health education;
- Specialist referrals;
- Hospital admissions; and

- Hospice program admissions.

Selecting a PCP

Blue Shield will initially choose a PCP for you, but you can change this selection. You do not need to choose the same PCP for each Member in your family. To change your PCP, visit blueshieldca.com.

PCPs may be:

- General practitioners;
- Family practitioners;
- Internists;
- Obstetrician/gynecologists; or
- Pediatricians.

Your PCP must be a Participating Provider. If your PCP leaves this plan's network, Blue Shield will choose a new PCP for you and notify you.

Your relationship with your PCP

The relationship you have with your PCP is an important element of an HMO plan. Your PCP has a unique holistic view of your medical care. He or she will know your health history, which may help identify problems before they become serious. Your PCP will work with you to ensure you receive Medically Necessary professional services and accommodate your preferences to the extent possible. This relationship also allows for more open communication between you and your PCP. If you are unable to establish a satisfactory relationship with your PCP, you can choose a new one.

Your Medical Group

Some PCPs contract directly with Blue Shield, but most are part of a Medical Group. Medical Groups:

- Share administrative responsibilities with your PCP;
- Work with your PCP to authorize Covered Services;
- Ensure that a full panel of Specialists are available to you; and
- Have admission arrangements with Blue Shield's contracted Hospitals within the Medical Group Service Area.

Your PCP and Medical Group are listed on your ID card.

Changing your Medical Group

You can change your Medical Group at any time. If your PCP is not part of your new Medical Group, you will also have to select a new PCP. Visit blueshieldca.com to change your Medical Group or PCP.

Changes to your Medical Group are effective on the first day of the month after Blue Shield approves the change. At that time, authorizations for any services by your old Medical Group are no longer valid. If you still need these services, they must be reauthorized by your new Medical Group.

Blue Shield does not recommend that you change your Medical Group while you are admitted to the Hospital or in the third trimester of pregnancy. A change in Medical Group during an ongoing course of treatment may interrupt your care. Any requested changes to your Medical Group in these situations will be effective on the first day of the month after the date when it is medically appropriate to transfer your care. Exceptions must be approved by a Blue Shield Medical Director. Call [Customer Service/Shield Concierge] for more information.

Self-referral for obstetrical/gynecological (OB/GYN) services

You do not need a referral from your PCP for OB/GYN services as long as the obstetrician, gynecologist, or family practice Physician you see is in your Medical Group. Your Cost Share for OB/GYN services with that Physician will be the same as if you received those services from your PCP.

OB/GYN services are female reproductive and sexual health care services. OB/GYN services include Physician services related to:

- Family planning and contraception;
- Treatment during pregnancy;
- Diagnosis and treatment of disorders of the female reproductive system and genitalia;
- Treatment of disorders of the breast; and
- HIV testing.

Specialist referrals

You have two options if you need to see a Specialist.

PCP referrals

This option requires a referral from your PCP to see most types of Specialist. Your PCP will refer you to a Specialist or other appropriate Participating Provider in your Medical Group.

Self-referral to a Trio+ Specialist

With this option, you do not need a referral from your PCP to visit a Trio+ Specialist in your Medical Group. You can self-refer to a Trio+ Specialist for:

- An examination or other consultation; and
- In-office diagnostic procedures or treatment.

You cannot self-refer to a Trio+ Specialist for:

- Allergy testing;
- Endoscopic procedures;
- Diagnostic and nuclear imaging, including CT, MRI, or bone density measurement;
- Injectables, chemotherapy, or other infusion Drugs, other than vaccines and antibiotics;
- Infertility services;

- Inpatient services or any services that result in a facility charge, except for routine X-ray and laboratory services; or
- Services for which the Medical Group routinely allows you to self-refer without authorization from your PCP.

ID cards

Blue Shield will provide the Subscriber and any enrolled Dependents with identification cards (ID cards). Only you can use your ID card to receive Benefits. Your ID card is important for accessing health care, so please keep it with you at all times. Temporary ID cards are available at blueshieldca.com or on the Blue Shield mobile app.

Canceling appointments

If you are unable to keep an appointment, you should notify the provider at least 24 hours before your scheduled appointment. Some offices charge a fee for missed appointments unless it is due to an emergency or you give 24-hour advance notice. This fee will not be more than your Copayment or Coinsurance for the visit.

Continuity of care

Continuity of care may be available if:

- Blue Shield, the Medical Group, or the MHSA no longer contracts with your Former Participating Provider for the services you are receiving;
- You are a newly-covered Member whose coverage choices do not include out-of-network Benefits; or
- You are a newly-covered Member whose previous health plan was withdrawn from the market.

Continuity of care may also be available to you when your Employer terminates its contract with Blue Shield and contracts with a new health plan (insurer) that does not include your Blue Shield Participating Provider in its network.

If your Former Participating Provider is no longer available to you for one of the reasons noted above, Blue Shield, the Medical Group, or the MHSA will notify you of the option to continue treatment with your Former Participating Provider.

You can request to continue treatment with your Former Participating Provider in the situations described above if you are currently receiving the following care:

Continuity of care with a Former Participating Provider	
Qualifying conditions	***Timeframe***
Undergoing a course of institutional or inpatient care	90 days from the date of receipt of notice of the termination of the Former Participating Provider's contract, the Employer's contract, or until the treatment concludes, whichever is sooner
Acute conditions	As long as the condition lasts
Maternal mental health condition	12 months after the condition's diagnosis or 12 months after the end of the pregnancy, whichever is later
Ongoing pregnancy care, including care immediately after giving birth	Up to 12 months
Recommended surgery or procedure documented to occur within 180 days	Within 180 days
Ongoing treatment for a child up to 36 months old	Up to 12 months
Serious chronic condition	Up to 12 months
Terminal illness	The duration of the terminal illness

If a condition falls within a qualifying condition under federal and state law, the more generous time frames would be followed.

To request continuity of care, visit blueshieldca.com and fill out the Continuity of Care Application. Blue Shield will confirm your eligibility and may review your request for Medical Necessity.

Under Federal law, the Former Participating Provider must accept Blue Shield's, the Medical Group's, or the MHSA's Allowed Charges as payment in full for the first 90 days of your ongoing care. Once the provider accepts and your request is authorized, you may continue to see the Former Participating Provider at the Participating Provider Cost Share.

See the *Your payment information* section for more information about the Allowed Charges.

Second medical opinion

You can ask your PCP for a referral to another provider for a second medical opinion in situations including but not limited to:

- You have questions about the reasonableness or necessity of the treatment plan;
- There are different treatment options for your medical condition;
- Your diagnosis is unclear;
- Your condition has not improved after completing the prescribed course of treatment;
- You need additional information before deciding on a treatment plan; or
- You have questions about your diagnosis or treatment plan.

Your Medical Group will work with you to arrange for a second medical opinion.

Who provides your second medical opinion

If you want a second opinion on	*It will come from*
A proposed treatment plan from your PCP	Another PCP in your Medical Group
A proposed treatment plan from a Specialist	A Participating Provider in the same or equivalent specialty

Care outside of California

If you need urgent or emergency medical care while traveling outside of California, you're covered. Blue Shield has relationships with health plans in other states, Puerto Rico, and the U.S. Virgin Islands through the BlueCard® Program. The Blue Cross Blue Shield Association can help you access care in those geographic areas.

See the ***Out-of-area services*** section for more information about receiving care while outside of California. To find participating providers while outside of California, visit ***bcbs.com***.

Emergency Services

If you have a medical emergency, ***call 911 or seek immediate medical attention*** at the nearest hospital.

The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition. Emergency Services are covered at the Participating Provider Cost Share, even if you receive treatment from a Non-Participating Provider.

After you receive care, Blue Shield will review your claim for Emergency Services to determine if your condition was in fact an Emergency Medical Condition. If you did not require Emergency Services and did not reasonably believe an emergency existed, you will be responsible for the entire cost of that non-emergency service.

If you cannot find a Participating Provider

Your PCP will refer you to other providers in your Medical Group for the care you need. If these services cannot reasonably be obtained from a Participating Provider, you can ask your Medical Group for authorization to see a Non-Participating Provider. They will review your request for Medical Necessity, and if approved, your Medical Group will pay for Covered Services from the Non-Participating Provider. You will only be responsible for the Participating Provider Cost Share. If the Medical Group cannot provide the necessary care, you can call [Customer Service/Shield Concierge] for help finding a Participating Provider who can provide the requested services.

Other ways to access care

For non-emergencies, it may be faster and easier to access care in one of the following ways. For more information, visit blueshieldca.com or use the Blue Shield mobile app.

Teladoc

Teladoc, a Third-Party Corporate Telehealth Provider, provides health consultations by phone or secure online video. Teladoc general medical Physicians can diagnose and treat basic non-emergency medical conditions, and can also prescribe certain medication. Teladoc mental health consultations are available for Members age 13 and older. Members under age 13 may obtain telebehavioral health services for Mental Health and Substance Use Disorders from MHSA Participating Providers. Teladoc is a supplemental service that is not intended to replace care from your PCP, care from your MHSA Participating Provider, or your relationship with your PCP.

How to access Teladoc

Urgent care centers

Urgent care centers are free-standing facilities that provide many of the same basic medical services as a doctor's office, often with extended hours but similar Cost Share.

If your condition is not an emergency, but you need treatment that cannot be delayed, you can visit an urgent care center to receive care that is typically faster and costs less than an emergency room visit.

If you are in your Medical Group Service Area, go to the urgent care center designated by your Medical Group or call your PCP. If you are outside of your

Medical Group Service Area but within California and need urgent care, you may visit any urgent care center near you.

Medical management

Medical management can help you coordinate your care and treatment. It includes utilization management and care management. Blue Shield uses utilization management to help you and your providers identify the most appropriate and cost-effective way to use the Benefits of this plan. Care management and palliative care can help you access the care you need to manage serious health conditions and complex treatment plans.

For written information about ***Blue Shield's Utilization Management Program***, visit blueshieldca.com.

Prior authorization and PCP referrals

Coverage for most Benefits requires pre-approval from the Medical Group. This process is called prior authorization. Prior authorization requests are reviewed for Medical Necessity, available plan Benefits, and clinically appropriate setting. Your PCP will manage your prior authorization requests.

A referral from your PCP is usually required when you want to see a Specialist or other provider, but there are some exceptions. You do not need a referral for:

- Emergency Services;
- Urgent Services;
- Trio+ Specialist visits;
- OB/GYN services by an obstetrician, gynecologist, or family practice Physician within your Medical Group; and
- Office visits with your PCP or for outpatient Mental Health and Substance Use Disorder services with an MHSA Participating Provider.

Prescription Drugs administered by a Health Care Provider

Drugs administered by a Health Care Provider in a Physician's office, an infusion center, the Outpatient Department of a Hospital, or provided at home through a home infusion agency, are covered under the medical benefit and require prior authorization from your Medical Group or from Blue Shield.

The prior authorization process for self-administered prescription Drugs available at a retail, specialty, or mail order pharmacy is explained in the *Prescription Drug Benefits* section.

When a decision will be made about your prior authorization request

Prior authorization or exception request	*Time for decision*
Routine medical, Mental Health and Substance Use Disorder, dental, and vision requests	Within five business days
Expedited medical, Mental Health and Substance Use Disorder, dental, and vision requests	Within 72 hours
Routine prescription Drug requests	Within 72 hours
Expedited prescription Drug requests	Within 24 hours

Expedited requests include urgent medical and exigent pharmacy requests. Once the decision is made, your provider will be notified within 24 hours. Written notice will be sent to you and your provider within two business days.

While you are in the Hospital (inpatient utilization review)

When you are admitted to the Hospital, your stay will be monitored for continued Medical Necessity. If it is no longer Medically Necessary for you to receive an inpatient level of care, your Medical Group will send a written notice to you, your provider, and the Hospital. If you choose to stay in the Hospital past the date indicated in this notice, you will be financially responsible for all inpatient charges after that date. Exceptions to inpatient utilization review include maternity and mastectomy care.

For maternity, the minimum length of an inpatient stay is 48 hours for a normal, vaginal delivery and 96 hours for a C-section. The provider and mother together may decide that a shorter length of stay is adequate.

For mastectomy, you and your provider determine the Medically Necessary length of stay after the surgery.

After you leave the Hospital (discharge planning)

You may still need care at home or in another facility after you are discharged from the Hospital. Your Medical Group will work with you, your provider, and the Hospital's discharge planners to determine the most appropriate and cost-effective way to provide this care.

Using your Benefits effectively (care management)

Care management helps you coordinate your health care services and make the most efficient use of your plan Benefits. Its goal is to help you stay as healthy as possible while managing your health condition, to avoid unnecessary emergency room visits and repeated hospitalizations, and to help you with the transition from Hospital to home. A Blue Shield care management nurse may contact you to see how we might help you

manage your health condition. You may also request care management support by calling [Customer Service/Shield Concierge]. A case manager can:

- Help you identify and access appropriate services;
- Instruct you about self-management of your health care conditions; and
- Identify community resources to lend support as you learn to manage a chronic health condition.

Alternative services may be offered when they are medically appropriate and only utilized when you, your provider, and Blue Shield mutually agree. The availability of these services is specific to you for a set period of time based on your health condition. Blue Shield does not give up the right to administer your Benefits according to the terms of this Evidence of Coverage or to discontinue any alternative services when they are no longer medically appropriate. Blue Shield is not obligated to cover the same or similar alternative services for any other Member in any other instance.

Managing a serious illness (palliative care services)

Blue Shield covers palliative care services if you have a serious illness. Palliative care provides relief from the symptoms, pain, and stress of a serious illness to help improve the quality of life for you and your family.

Palliative care services include access to Physicians and case managers who are specially trained to help you:

- Manage your pain and other symptoms;
- Maximize your comfort, safety, autonomy, and well-being;
- Navigate a course of care;
- Make informed decisions about therapy;
- Develop a survivorship plan; and
- Document your quality-of-life choices.

Your payment information

Paying for coverage

Your Employer is responsible for a monthly payment to Blue Shield for health care coverage for the Subscriber and any enrolled Dependents. This monthly payment is a Premium. Any amount the Subscriber must contribute to the Premium is set by your Employer.

The contract states the monthly Premiums for this plan for the Subscriber and any enrolled Dependents.

Paying for Covered Services

Your Cost Share is the amount you pay for Covered Services. It is your portion of the Blue Shield Allowed Charges.

Your Cost Share includes any:

- Deductible;
- Copayment amount; and
- Coinsurance amount.

See the ***Summary of Benefits*** section for your ***Cost Share*** for Covered Services.

Allowed Charges and capitation

Participating Providers agree to accept the Allowed Charges as payment in full for Covered Services provided or arranged by Blue Shield, except as stated in the *Exception for other coverage* and *Reductions – third party liability* sections. Covered Services provided or arranged by the Medical Group are paid for by capitation payments. Every month, Blue Shield pays a set dollar amount to the Medical Group for each enrolled Member. The capitation payments are available to cover the cost of services when you need them.

If there is a payment dispute between Blue Shield and a Participating Provider over Covered Services you receive, the Participating Provider must resolve that dispute with Blue Shield. You are not required to pay for Blue Shield's portion of the Allowed Charges. You are only required to pay your Cost Share for those services.

When you see a Participating Provider, you are responsible for your Cost Share.

Calendar Year Deductible

The Deductible is the amount you pay each Calendar Year for Covered Services before Blue Shield begins payment. Blue Shield will pay for some Covered Services before you meet your Deductible.

Amounts you pay toward your Deductible count toward your Out-of-Pocket Maximum.

Some plans do not have a Deductible. For plans that do, there may be separate Deductibles for:

- an individual Member and an entire Family; and
- Medical and pharmacy Benefits.

If you have a Family plan, there is an individual Deductible within the Family Deductible. This means an individual family member can meet the individual Deductible before the entire Family meets the Family Deductible.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Deductible for your individual plan will be applied to both the individual Deductible and the Family Deductible for your new plan.

See the *Summary of Benefits* section for details on which Covered Services are subject to the Deductible and how the Deductible works for your plan.

Prior carrier Deductible credit

If you pay all or part of a Deductible for another Employer-sponsored health plan in the same Calendar Year you enroll in this plan, that amount will be applied to this plan's Deductible if:

- You were enrolled in an Employer-sponsered health plan with another carrier during the same Calendar Year this contract becomes effective and you enroll as of the original effective date of coverage under this contract;
- You were enrolled in another Blue Shield plan sponsored by the same Employer which this plan is replacing; or
- You were enrolled in another Blue Shield plan sponsored by the same Employer and you are transferring to this plan during open enrollment.

Copayment and Coinsurance

A Covered Service may have a Copayment or a Coinsurance. A Copayment is a specific dollar amount you pay for a Covered Service. A Coinsurance is a percentage of the Allowed Charges you pay for a Covered Service.

Your provider will ask you to pay your Copayment or Coinsurance at the time of service. For Covered Services that are subject to your plan's Deductible, you are also responsible for all costs up to the Allowed Charges until you reach your Deductible.

You will continue to pay the Copayment or Coinsurance for each Covered Service you receive until you reach your Out-of-Pocket Maximum.

Calendar Year Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the most you are required to pay in Cost Share for Covered Services in a Calendar Year. Your Cost Share includes Deductible, Copayment, and Coinsurance, and these amounts count toward your Out-of-Pocket Maximum, except as listed below. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Services for

the rest of the Calendar Year. If you want information about your Out-of-Pocket Maximum, you can call [Customer Service/Shield Concierge].

If you have a Family plan, you will have a separate Out-of-Pocket Maximum for each individual Member and one for the entire Family.

If you have a Family plan, there is an individual Out-of-Pocket Maximum within the Family Out-of-Pocket Maximum. This means an individual family member can meet the individual Out-of-Pocket Maximum before the entire Family meets the Family Out-of-Pocket Maximum.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Out-of-Pocket Maximum for your individual plan will be applied to both the individual Out-of-Pocket Maximum and the Family Out-of-Pocket Maximum for your new plan.

The following do not count toward your Out-of-Pocket Maximum:

- Charges for services that are not covered;
- Charges over the Allowed Charges; and
- Charges for services over any Benefit maximum.

You will continue to be responsible for these costs even after you reach your Out-of-Pocket Maximum.

See the *Summary of Benefits* section for details on how the Out-of-Pocket Maximum works for your plan.

Accrual balance

Blue Shield provides a summary of your accrual balances toward your Calendar Year Deductible, if any, and Out-of-Pocket Maximum for every month in which your Benefits were used until the full amount has been met. This summary will be mailed to you unless you opt to receive it electronically or have already opted out of paper mailings. You can opt back in to receive paper mailings at any time or elect to receive your balance summary electronically by logging into your member portal online and updating your communication preferences, or by calling [Customer Service/Shield Concierge] at the number on the back of your ID card. You can also check your accrual balances at any time by logging into your member portal online, which is updated daily, or calling [Customer Service/Shield Concierge]. Your accrual balance information is updated once a claim is received and processed and may not reflect recent services.

Cost Share concepts in action

To recap, you are responsible for all costs for Covered Services until you reach your Deductible. Once you reach your Deductible, Blue Shield will pay the Allowed Charges for Covered Services, minus your Copayment or Coinsurance amounts, until you reach your Out-of-Pocket Maximum. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Services. Exceptions are described above.

EXAMPLE
Cost to visit the doctor

Now that you know the basics, here is an example of how your Cost Share works. Please note, the DOLLAR AMOUNTS IN THE EXAMPLE ARE EXAMPLES ONLY AND DO NOT REFLECT ACTUAL DOLLAR AMOUNTS FOR YOUR PLAN.

Example: You visit the doctor for a sore throat. You have received Covered Services throughout the year and have already met your $500 Deductible. However, you have not yet met your $1,000 Out-of-Pocket Maximum.

Deductible: **$500**

Amount paid to date toward Deductible: **$500**

Out-of-Pocket Maximum: **$1,000**

Amount paid to date toward Out-of-Pocket Maximum: **$500**

Participating Provider Copayment: **$30**

Blue Shield Allowed Charges for the doctor's visit: **$100**

	Participating Provider
You pay	**$30** ($30 Copayment)
Blue Shield pays	$70 (Allowed Charges minus your Cost Share)
Total payment to the doctor	$100 (Allowed Charges)

In this example, because you have already met your Deductible, you are only responsible for the Participating Provider Copyament.

Claims for Emergency or Urgent Services

If you receive Emergency or Urgent Services from a Non-Participating Provider, you may be required to pay the charges in full and submit a claim to Blue Shield to request reimbursement. Blue Shield may send the payment to the Subscriber or directly to the Non-Participating Provider.

Claim forms are available at blueshieldca.com. Please submit your claim form and medical records within one year of the service date.

How to submit a claim

Your coverage

This section explains eligibility and enrollment for this plan. It also describes the terms of your coverage, including information about effective dates and the different ways your coverage can end.

Eligibility for this plan

To be eligible for coverage as a Subscriber, you must meet all of your Employer's eligibility requirements and complete any waiting period established by your Employer.

Dependent eligibility

To be eligible for coverage as a Dependent, you must:

- Be listed on the enrollment form completed by the Subscriber; and
- Be the Subscriber's spouse, Domestic Partner, or be under age 26 and the child of the Subscriber, spouse, or Domestic Partner.
  - For the Subscriber's spouse to be eligible for this plan, the Subscriber and spouse must not be legally separated.
  - For the Subscriber's Domestic Partner to be eligible for this plan, the Subscriber and Domestic Partner must have a registered domestic partnership (except as otherwise permitted by your Employer).
  - "Child" includes a stepchild, newborn, child placed for adoption, child placed in foster care, and child for whom the Subscriber, spouse, or Domestic Partner is the legal guardian. It does not include a grandchild unless the Subscriber, spouse, or Domestic Partner has adopted or is the legal guardian of the grandchild.
  - A child age 26 or older can remain enrolled as a Dependent if the child is disabled, incapable of self-support because of a mental or physical disability, and chiefly dependent on the Subscriber for economic support.
    - The Dependent child's disability must have begun before the period he or she would become ineligible for coverage due to age.
    - Blue Shield will send a notice of termination due to loss of eligibility 90 days before the date coverage will end. The Subscriber must inform Blue Shield of the Dependent's eligibility for continuation of coverage within 60 days of receipt of this notice in order to continue coverage.
    - The Subscriber must submit proof of continued eligibility for the Dependent at Blue Shield's request. Blue Shield may not request this information again for two years after the initial determination. Blue Shield may request this information no more than once a year after that. The Subscriber's failure to provide this information could result in termination of a Dependent's coverage.

Enrollment and effective dates of coverage

As the Subscriber, you can enroll in coverage for yourself and your Dependents during your initial enrollment period, your Employer's annual open enrollment period, or if you qualify for a special enrollment period.

You are eligible for coverage as a Subscriber on the day following the date you complete any applicable waiting period established by your Employer. Coverage starts at 12:01 a.m. Pacific Time on the effective date of coverage. The Benefits of this plan are not available before the effective date of coverage. This Contract has a 12-month term that begins on your Employer's effective date of coverage.

Open enrollment period

The open enrollment period is the time when most people apply for coverage or change coverage. You will have an annual open enrollment period set by your Employer. Your Employer will notify its Employees of the open enrollment period each year.

Special enrollment period

A special enrollment period is a time outside open enrollment when you can apply for coverage or change coverage. A special enrollment period begins with a Triggering Event.

A special enrollment period gives you at least 30 days from a Triggering Event to apply for or change coverage for yourself or your Dependents. See the *Special enrollment period* section for more information. You should notify your Employer as soon as possible if you experience a Triggering Event that requires a change in your coverage.

Common Triggering Events
Change in Dependents
Loss of coverage under another employer health plan or other health insurance
Loss of eligibility in a government program

For a complete list of Triggering Events, see ***Special enrollment period*** on page 93 in the ***Other important information about your plan*** section.

Effective date of coverage for most special enrollment periods

If enrolled during initial enrollment or open enrollment, a Dependent will have the same effective date of coverage as the Subscriber. However, a Dependent may have a different effective date of coverage if added during a special enrollment period. Generally, if the Employee or Dependents qualify for a special enrollment period, coverage will begin no later than the 1st of the month following the date Blue Shield receives the request for special enrollment from your Employer.

Effective date of coverage for a new spouse or Domestic Partner

The effective date of coverage for a new spouse or Domestic Partner will be the date that person became your spouse or Domestic Partner. This applies regardless of what day of the month the Subscriber submits the application.

Effective date of coverage for a new Dependent child

Coverage starts immediately for a:

- Newborn;
- Adopted child;
- Child placed for adoption;
- Child placed in foster care; or
- Child for whom the Subscriber, spouse, or Domestic Partner is the court-appointed legal guardian.

For coverage to continue beyond 31 days, the Subscriber must ***notify Blue Shield and request that the child be added as a Dependent within 60 days*** of birth, adoption, placement for adoption, placement in foster care, or the date of court-ordered guardianship.

If both partners in a marriage or Domestic Partnership are eligible Employees and Subscribers, they are not eligible to be Dependents of each other. You may enroll a child as a Dependent of either parent but not both.

A child will be considered adopted for the purpose of Dependent eligibility when one of the following happens:

- The child is legally adopted;
- The child is placed for adoption and there is evidence of the Subscriber, spouse, or Domestic Partner's right to control the child's health care; or
- The Subscriber, spouse, or Domestic Partner is granted legal authority to control the child's health care.

The child's eligibility as a Dependent will continue while waiting for a legal decree of adoption unless the child is removed from the Subscriber, spouse, or Domestic Partner's home before the decree is issued.

Plan changes

Blue Shield has the right to change the Benefits and terms of this plan as the law permits. This includes, but is not limited to, changes to:

- Terms and conditions;
- Benefits;
- Cost Shares;
- Premiums; and
- Limitations and exclusions.

Blue Shield will give your Employer written notice of Premium or coverage changes. We will send this notice at least 60 days prior to plan renewal or the effective date of the Benefit change. Your Employer is responsible for letting you know of any changes.

Benefits provided after the effective date of any change will be subject to the change. There is no vested right to obtain the original Benefits.

Coordination of benefits

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits determines which plan will pay first when both plans have responsibility for paying the medical claim. For more information, see the *Coordination of benefits, continued* section.

When coverage ends

Your coverage will end if:

- Your Employer cancels or does not renew coverage;
- The Subscriber cancels coverage; or
- Blue Shield cancels or rescinds coverage.

There is no right to receive the Benefits of this plan after coverage ends, except as described in the *Extension of Benefits*, *Continuity of care* and *Continuation of group coverage* sections.

If your Employer cancels coverage

Your Employer may cancel coverage at any time. To cancel coverage, your Employer must provide written notice to Blue Shield and its Employees.

If the Subscriber cancels coverage

If the Subscriber decides to cancel coverage, coverage will end at 11:59 p.m. Pacific Time on a date determined by your Employer.

Reinstatement

If the Subscriber voluntarily cancels coverage, the Subscriber can contact the Employer for reinstatement options.

If Blue Shield cancels coverage

Blue Shield can cancel coverage if:

- You are no longer eligible for coverage in this plan;
- Your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements;
- Blue Shield terminates this plan; or
- Your Employer commit fraud or intentional misrepresentation of material fact.

Blue Shield will provide 30 days' advance written notice of cancellation of coverage to your Employer if your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements. It is your Employer's responsibility to provide a copy of the notice to its Employees.

Cancellation for Employer's nonpayment of Premiums

Blue Shield can cancel coverage if your Employer does not pay the required Premiums in full and on time. Your Employer is responsible for all Premiums during the term of coverage, including the 30-day grace period. If Blue Shield cancels coverage due to nonpayment of Premiums, Blue Shield will send a Notice of End of Coverage to you and your Employer no later than five calendar days after the date coverage ends.

Cancellation or rescission for fraud or intentional misrepresentation of material fact

Blue Shield may cancel or rescind your coverage if you, your Dependent, or your Employer commit fraud or intentional misrepresentation of material fact. Blue Shield will send the Notice of Cancellation, Rescission or Nonrenewal to your Employer prior to any rescission. Your Employer must provide you with a copy of the Notice of Cancellation, Rescission or Nnorenewal. Rescission voids the Contract as if it never existed. Cancellation is effective on the date specified in the Notice of Cancellation, Rescission or Nonrenewal and the Notice of End of Coverage.

Extension of Benefits

If you become Totally Disabled while covered under this plan and continue to be Totally Disabled on the date the Contract terminates, Blue Shield will extend Benefits directly related to the condition, illness, or injury causing your Total Disability until one of the following occurs:

- 12 months from the effective date of termination;
- The date you are no longer Totally Disabled; or
- The date on which a replacement carrier provides coverage for your Total Disability.

Your extension of Benefits will be subject to all the limitation and restrictions of this plan.

You will not receive an extension of Benefits unless a Physician provides Blue Shield with written certification of your Total Disability within 90 days of the effective date of termination. After that, the Physician must continue to provide written certification of your Total Disability at reasonable intervals Blue Shield determines.

Continuation of group coverage

Please examine your options carefully before declining this coverage.

You can continue coverage under this group plan when your Employer is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA), as amended, or the California Continuation Benefits Replacement Act (Cal-COBRA).

Your benefits under the group continuation of coverage provisions will be identical to the Benefits you would have received as an active Employee if the qualifying event had not occurred. Any changes in the coverage available to active Employees will also apply to group continuation coverage.

COBRA

You may elect to continue group coverage under this plan if you would otherwise lose coverage because of a COBRA qualifying event. Please contact your Employer for detailed information about COBRA continuation coverage, including eligibility, election of coverage, and Premiums.

Cal-COBRA

If you enroll in COBRA and exhaust the time limit for COBRA group continuation coverage, you may be able to continue your group coverage under Cal-COBRA for a combined total (COBRA plus Cal-COBRA) of 36 months.

You will not be eligible for benefits under Cal-COBRA if, at the time of the Cal-COBRA qualifying event, you are entitled to benefits under Medicare or are covered under another group health plan. Medicare entitlement means that you are eligible for Medicare benefits and enrolled in Part A only.

Cal-COBRA qualifying event

A Cal-COBRA qualifying event is an event that, except for the election of continuation coverage, would result in a loss of coverage for the Subscriber or eligible Dependents:

- The death of the Subscriber;
- Termination of the Subscriber's employment (except termination for gross misconduct which is not a qualifying event);
- Reduction in hours of the Subscriber's employment;
- Divorce or legal separation of the Subscriber from the covered spouse;
- Termination of the Subscriber's domestic partnership with a covered Domestic Partner;
- Loss of Dependent status by a covered Dependent;
- The Subscriber's entitlement to Medicare (This only applies to a covered Dependent); and
- With respect to any of the above, such other qualifying event as may be added to Cal-COBRA.

A child born to or placed for adoption with a covered Subscriber or Domestic Partner during the Cal-COBRA group coverage continuation period may be immediately added as a Dependent provided the Employer is properly notified of the birth or placement for adoption, and the child is enrolled within 30 days of the birth or placement for adoption.

Notification of a qualifying event

You are responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership, or a Dependent's loss of Dependent status under this plan. This notice must be given within 60 days of the date of the qualifying event. Failure to

provide such notice within 60 days will disqualify you from receiving continuation coverage under Cal-COBRA.

Your Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the qualifying event.

When Blue Shield is notified that a qualifying event has occurred, Blue Shield will, within 14 days, provide you with written notice of your right to continue group coverage under this plan. You must then give Blue Shield notice in writing of your election of continuation coverage within 60 days of the date of the notice of your right to continue group coverage, or the date coverage terminates due to the qualifying event, whichever is later. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If you do not notify Blue Shield within 60 days, your coverage will terminate on the date you would have lost coverage because of the qualifying event.

If this plan replaces a previous group plan that was in effect with your Employer, and you had elected Cal-COBRA continuation coverage under the previous plan, you may continue coverage under this plan for the balance of your Cal-COBRA eligibility period. To begin Cal-COBRA coverage with Blue Shield, you must notify us within 30 days of the date you were notified of the termination of your previous group plan.

Duration and extension of group continuation coverage

COBRA enrollees who reach the maximum coverage period available under COBRA may elect to continue coverage under Cal-COBRA for a combined maximum period of 36 months from the date continuation of coverage began under COBRA. You must notify Blue Shield of your Cal-COBRA election at least 30 days before COBRA termination. Your Cal-COBRA coverage will begin immediately after the COBRA coverage ends.

You must exhaust all available COBRA coverage before you can become eligible to continue coverage under Cal-COBRA.

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this plan for up to a maximum of 36 months, regardless of the type of qualifying event.

In no event will continuation of group coverage under COBRA, Cal-COBRA, or a combination of COBRA and Cal-COBRA be extended for more than 36 months from the date of the qualifying event that originally entitled you to continue your group coverage under this plan.

Payment of Premiums

Premiums for continuing coverage will be 110 percent of the applicable group Premium rate, except if you are eligible to continue Cal-COBRA coverage beyond 18 months because of a Social Security disability determination. In that

case, the Premiums for months 19 through 36 will be 150 percent of the applicable group Premium rate.

Cal-COBRA enrollees must submit Premiums directly to Blue Shield. The initial Premiums must be paid within 45 days of the date you provided written notification to Blue Shield of your election to continue coverage and must be sent to Blue Shield by first-class mail or other reliable means. You must pay the entire amount due within the 45-day period or you will be disqualified from Cal-COBRA continuation coverage.

Effective date of the continuation of group coverage

If your initial group continuation coverage is Cal-COBRA rather than COBRA, your Cal-COBRA coverage will begin on the date your coverage under this plan would otherwise end due to a qualifying event. Your coverage will continue for up to 36 months unless terminated due to an event described in the *Termination of group continuation coverage* section.

Termination of group continuation coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

- Termination of the Contract (if your Employer continues to provide any group benefit plan for Employees, you may be able to continue coverage with another plan);
- Failure to pay Premiums in full and on time to Blue Shield. Coverage will end as of the end of the period for which Premiums were paid;
- You become covered under another group health plan;
- You become entitled to Medicare; or
- You commit fraud or deception in the use of the services of this Plan.

Continuation of group coverage while on leave

Employers are responsible to ensure compliance with state and federal laws regarding leaves of absence, including the California Family Rights Act, the Family and Medical Leave Act, the Uniformed Services Employment and Re-employment Rights Act, and Labor Code requirements for Medical Disability.

Family leave

The California Family Rights Act of 1991 and the federal Family & Medical Leave Act of 1993 allow you to continue your coverage under this plan while you are on family leave. Your Employer is solely responsible for notifying their Employee of the availability and duration of family leaves.

Military leave

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) allows you to continue your coverage under this plan while you are on military leave. If you are planning to enter the Armed Forces, you should contact your Employer for information about your rights under the (USERRA).

Pregnancy and maternity care

Benefits are available for maternity care services.

- Postnatal care;
- Involuntary complications of pregnancy;

The Newborns' and Mothers' Health Protection Act requires health plans to provide a minimum Hospital stay for the mother and newborn child of 48 hours after a normal, vaginal delivery and 96 hours after a C-section. The attending Physician, in consultation with the mother, may determine that a shorter length of stay is adequate. If your Hospital stay is shorter than the minimum stay, you can receive a follow-up visit with a

Health Care Provider whose scope of practice includes postpartum and newborn care. This follow-up visit may occur at home or as an outpatient, as necessary. This visit will include parent education, assistance and training in breast or bottle feeding, and any necessary physical assessments for the mother and child. Prior authorization is not required for this follow-up visit.

Prescription Drug Benefits

Benefits are available for outpatient prescription Drugs. Outpatient prescription Drugs are self-administered Drugs approved by the U.S. Food and Drug Administration (FDA) for sale to the public through retail or mail-order pharmacies that are prescribed and are not provided for use on an inpatient basis. Drugs also include diabetic testing supplies and self-applied continuous blood glucose monitors.

A Physician or Health Care Provider must prescribe all Drugs covered under this Benefit, including over-the-counter items. You must obtain all Drugs from a Participating Pharmacy, except as noted below. Drugs, items, and services that are not covered under this Benefit are listed in the *Exclusions and limitations* section.

Some Drugs, most Specialty Drugs, and prescriptions for Drusgs exceeding specific quantity limits require prior authorization to be covered. The prior authorization process is described in the *Prior authorization/exception request/step therapy process* section. You or your Physician may request prior authorization from Blue Shield.

Outpatient Drug Formulary

Blue Shield's Drug Formulary is a list of FDA-approved Generic and Brand Drugs. This list helps Physicians or Health Care Providers prescribe Medically Necessary and cost-effective Drugs. Drugs not listed on the Formulary may be covered when approved by Blue Shield through the exception request process.

Blue Shield's Formulary is established and maintained by Blue Shield's Pharmacy and Therapeutics (P&T) Committee. This committee consists of Physicians and pharmacists responsible for evaluating Drugs for relative safety, effectiveness, evidence-based health benefit, and comparative cost. The committee also reviews new Drugs, dosage forms, usage, and clinical data to update the Formulary four times a year. Your Physician or Health Care Provider might prescribe a Drug even though it is not included in the Blue Shield Formulary.

The Formulary is divided into Drug tiers. The tiers are described in the chart below. Your Copayment or Coinsurance will vary based on the Drug tier. Drugs are placed into tiers based on recommendations made by the P&T Committee.

Formulary Drug tiers	
Drug Tier	***Description***
Tier 1	• Most Generic Drugs and low-cost preferred Brand Drugs

Formulary Drug tiers	
Drug Tier	***Description***
Tier 2	• Non-preferred Generic Drugs • Preferred Brand Drugs • Any other Drugs recommended by the P&T Committee based on drug safety, efficacy, and cost
Tier 3	• Non-preferred Brand Drugs • Drugs recommended by the P&T Committee based on drug safety, efficacy, and cost • Drugs that generally have a preferred and often less costly therapeutic alternative at a lower tier
Tier 4	• Drugs that are biologics, and Drugs the FDA or drug manufacturer requires to be distributed through Network Specialty Pharmacies • Drugs that require you to have special training or clinical monitoring • Drugs that cost the plan more than $600 (net of rebates) for a one-month supply

Visit ***blueshieldca.com/pharmacy***, use the Blue Shield mobile app, or contact Customer Service for more information on the ***Drug Formulary*** or to request a printed copy of the Formulary.

Obtaining outpatient prescription Drugs at a Participating Pharmacy

You must present a Blue Shield ID card at a Participating Pharmacy to obtain prescription Drugs. You can obtain prescription Drugs at any retail Participating Pharmacy unless the Drug is a Specialty Drug. See the *Obtaining Specialty Drugs from a Network Specialty Pharmacy* section for more information. If you obtain Drugs at a Non-Participating Pharmacy, Blue Shield will deny the claim and will not pay anything toward the cost of the Drugs, unless they are for a covered emergency.

Visit ***blueshieldca.com/pharmacy*** or use the Blue Shield mobile app to locate a ***retail Participating Pharmacy***.

Blue Shield has two participation levels for retail Participating Pharmacies: Level A and Level B. If you select a Level A Participating Pharmacy, your cost share for covered Drugs will be lower than your cost share would be at a Level B Participating Pharmacy. You may go to either Level A or Level B Participating Pharmacies to obtain covered Drugs.

You must pay the applicable Copayment or Coinsurance for each prescription Drug purchased from a Participating Pharmacy. When the Participating Pharmacy's contracted rate is less than your Copayment or Coinsurance, you only pay the contracted rate. This amount will apply to any applicable Deductible and Out-of-Pocket Maximum. There is no Copayment or Coinsurance for generic, FDA-approved contraceptive Drugs and devices obtained from a Participating Pharmacy. Brand contraceptives are covered without a Copayment or Coinsurance only when Medically Necessary.

Drugs not listed on the Formulary may be covered if Blue Shield approves an exception request. If an exception request is approved, Drugs that are categorized as Tier 4 will be covered at the Tier 4 Copayment or Coinsurance. For all other Drugs that are approved as an exception, the Tier 3 Copayment or Coinsurance applies. If an exception is denied, the non-Formulary Drug is not covered and you are responsible for the entire cost of the Drug.

If you, your Physician, or your Health Care Provider selects a Brand Drug when a Generic Drug equivalent is available, you pay the difference in cost, plus the Tier 1 Copayment or Coinsurance. This is calculated by taking the difference between the Participating Pharmacy's contracted rate for the Brand Drug and the Generic Drug equivalent, plus the Tier 1 Copayment or Coinsurance. For example, you select Brand Drug A when there is an equivalent Generic Drug A available. The Participating Pharmacy's contracted rate for Brand Drug A is $300 and the contracted rate for Generic Drug A is $100. You would be responsible for paying the $200 difference in cost, plus the Tier 1 Copayment or Coinsurance. This difference in cost does not apply to your Deductible or your Out-of-Pocket Maximum responsibility.

If you, your Physician, or your Health Care Provider believes the Brand Drug is Medically Necessary, you can request an exception to paying the difference in cost between the Brand Drug and Generic Drug equivalent through the Blue Shield prior authorization process. The request is reviewed for Medical Necessity. If the request is approved, you pay only the applicable tier Copayment or Coinsurance for the Brand Drug.

See the *Prior authorization/exception request/step therapy process* section for more information on the prior authorization process and exception requests.

Blue Shield created a Patient Review and Coordination (PRC) program to help reduce harmful prescription drug misuse and the potential for abuse. Examples of harmful misuse include obtaining an excessive number of prescription medications or obtaining very high doses of prescription opioids from multiple providers or pharmacies within a 90-day period. If Blue Shield determines a Member is using prescription drugs in a potentially harmful, abusive manner, Blue Shield may, subject to certain exemptions and upon 90 days' advance notice, restrict a Member to obtaining all non-emergent outpatient prescriptions drugs at a single pharmacy home. This restriction applies for a 12-month period and may be renewed. The pharmacy home, a single Participating Pharmacy, will be assigned by Blue Shield or a Member may request to select a pharmacy home. Blue Shield may also require prior authorization for all opioid medications if sufficient medical justification for their use has not been provided. Members that disagree with their enrollment in the PRC program can file an appeal or submit a grievance to Blue Shield as described in the *Grievance Process* section. Members selected for participation in the PRC will

receive a brochure with full program details, including participation exemptions. Any interested Member can request a PRC program brochure by calling Customer Service at the number listed on their Identification Card.

Obtaining extended day supply of outpatient prescription Drugs at a retail Participating Pharmacy

You also have an option to receive up to a 90-day supply of prescription Drugs at a pharmacy in the Rx90 Retail network when you take maintenance Drugs for an ongoing condition. If your Physician or Health Care Provider writes a prescription for less than a 90-day supply, the pharmacy will only dispense the amount prescribed.

You must pay the applicable retail pharmacy Drug Copayment or Coinsurance for each prescription Drug.

Visit blueshieldca.com for additional information about how to get a 90-day supply of prescription Drugs from retail pharmacies.

Obtaining outpatient prescription Drugs at a Non-Participating Pharmacy in an emergency

When you receive Drugs from a Non-Participating pharmacy for a covered emergency, you must pay for the prescription in full and then submit a claim form for reimbursement. See the *Claims* section under *Your payment information* for more information.

Obtaining outpatient prescription Drugs from the mail service pharmacy

You have an option to receive prescription Drugs from the mail service pharmacy when you take maintenance Drugs for an ongoing condition. This allows you to receive up to a 90-day supply of the Drug, which may save you money. You may enroll in this program online, by phone, or by mail. Once enrolled, please allow up to 14 days to receive the Drug. If your Physician or Health Care Provider submits a prescription for less than a 90-day supply, the mail service pharmacy will only dispense the amount prescribed. Specialty Drugs are not available from the mail service pharmacy.

You must pay the applicable mail service prescription Drug Copayment or Coinsurance for each prescription Drug.

Visit blueshieldca.com or use the Blue Shield mobile app for additional information about how to get prescription Drugs from the mail service pharmacy.

Obtaining Specialty Drugs from a Network Specialty Pharmacy

Specialty Drugs are Drugs that require coordination of care, close monitoring, or extensive patient training for self-administration that cannot be met by a retail pharmacy, and that are available at a Network Specialty Pharmacy. Specialty Drugs may also require special handling or manufacturing processes (such as biotechnology), restriction to certain Physicians or pharmacies, or reporting of certain clinical events to the FDA. Specialty Drugs generally have a higher cost.

Specialty Drugs are only available from a Network Specialty Pharmacy. A Network Specialty Pharmacy provides Specialty Drugs by mail or, at your request, will transfer the Specialty Drug to an associated retail store for pickup.

A Network Specialty Pharmacy offers 24-hour clinical services, coordination of care with Physicians, and reporting of certain clinical events associated with select Drugs to the FDA.

To be covered, most Specialty Drugs require prior authorization by Blue Shield, as described in the *Prior authorization/exception request/step therapy process* section.

Drug manufacturers or other third parties may offer Drug discounts or copayment assistance for certain Drugs. These types of programs can lower your out-of-pocket costs. If you receive any discounts at a Network Specialty Pharmacy, only the amount you pay will be applied to any applicable Deductible and Out-of-Pocket Maximum.

Visit blueshieldca.com for a complete list of Specialty Drugs or to select a Network Specialty Pharmacy.

Prior authorization/exception request/step therapy process

Some Drugs and Drug quantities require approval based on Medical Necessity before they are eligible for coverage under this Benefit. This process is prior authorization.

The following Drugs require prior authorization:

- Some Formulary Drugs, preferred Drugs, non-preferred Drugs, compounded medications, and most Specialty Drugs;
- Drugs exceeding the maximum allowable quantity based on Medical Necessity and appropriateness of therapy
- Some brand contraceptives, in order to be covered without a Copayment or Coinsurance; and
- A Brand Drug, when a Generic Drug equivalent is available, and you, your Physician, or your Health Care Provider is requesting coverage of the Brand Drug without paying the difference in cost between the Brand Drug and the Generic Drug equivalent.

You pay the Tier 3 Copayment or Coinsurance for covered compounded medications.

You, your Physician, or your Health Care Provider may request prior authorization for the Drugs listed above by submitting supporting information to Blue Shield. If the request does not include all necessary supporting information, Blue Shield will notify the requestor within 72 hours in routine circumstances or within 24 hours in exigent circumstances. Once Blue Shield receives all required supporting information, Blue Shield will provide prior authorization approval or denial within 72 hours of receipt in routine circumstances or 24 hours in exigent circumstances. Exigent circumstances exist when you have a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or you are undergoing a current course of treatment using a non-Formulary Drug.

To request coverage for a non-Formulary Drug, you, your representative, your Physician, or your Health Care Provider may submit an exception request to Blue Shield. Once all required supporting information is received, Blue Shield will approve or deny the exception request, based on Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances.

Step therapy is the process of beginning therapy for a medical condition with Drugs considered first-line treatment or that are more cost-effective, then progressing to Drugs that are the next line in treatment or that may be less cost-effective. Step therapy requirements are based on how the FDA recommends that a Drug should be used, nationally recognized treatment guidelines, medical studies, information from the Drug manufacturer, and the relative cost of treatment for a condition. If your Physician or Health Care Provider believes that step therapy coverage requirements for a prescription need not be met and that the Drug is Medically Necessary, the step therapy exception process must be used and timeframes previously described (within 72 hours in routine circumstances or within 24 hours in exigent circumstances) will also apply.

If Blue Shield denies a request for prior authorization or an exception request, you, your representative, your Physician, or your Health Care Provider can file a grievance with Blue Shield, as described in the *Grievance process* section.

Limitation on quantity of Drugs that may be obtained per prescription or refill

Except as otherwise stated in this section, you may receive up to a 30-day supply of outpatient prescription Drugs. If a Drug is available only in supplies greater than 30 days, you must pay the applicable retail Copayment or Coinsurance for each additional 30-day supply.

If you, your Physician, or your Health Care Provider request a partial fill of a Schedule II Controlled Substance prescription, your Copayment or Coinsurance will be pro-rated. The remaining balance of any partially filled prescription cannot be dispensed more than 30 days from the date the prescription was written.

Blue Shield has a short cycle Specialty Drug program. With your agreement, designated Specialty Drugs may be dispensed for a 15-day trial supply at a pro-rated Copayment or Coinsurance for the initial prescription. This program allows you to receive a 15-day supply of the Specialty Drug to help determine whether you will tolerate it before you obtain the full 30-day supply. This program can help you save money if you cannot tolerate the Specialty Drug. The Network Specialty Pharmacy will contact you to discuss the advantages of the program, which you can elect at that time. You, your Physician, or your Health Care Provider may choose a full 30-day supply for the first fill.

If you agree to a 15-day trial, the Network Specialty Pharmacy will contact you prior to dispensing the remaining 15-day supply to confirm that you are tolerating the Specialty Drug.

Visit ***blueshieldca.com/pharmacy*** for a list of ***Specialty Drugs*** in the ***short cycle Specialty Drug program***.

You may receive up to a 90-day supply of Drugs at a pharmacy in the Rx90 Retail network or from the mail service pharmacy. If your Physician or Health Care Provider writes a prescription for less than a 90-day supply, the pharmacy will dispense that amount and you are responsible for the applicable Copayment or Coinsurance

listed in the *Summary of Benefits* section. Refill authorizations cannot be combined to reach a 90-day supply.

Select over-the-counter drugs with a United States Preventive Services Task Force (USPSTF) rating of A or B may be covered at a quantity greater than a 30-day supply.

You may receive up to a 12-month supply of contraceptive Drugs.

You may refill covered prescriptions at a Medically Necessary frequency.

Grievance process

Blue Shield has a formal grievance process to address any complaints, disputes, requests for reconsideration of health care coverage decisions made by Blue Shield, or concerns with the quality of care you received from a provider. Blue Shield will receive, review, and resolve your grievance within the required timeframes.

Submitting a grievance

If you have a question about your Benefits or any action taken by Blue Shield (or a Benefit Administrator), your first step is to make an inquiry through [Customer Service/Shield Concierge]. If [Customer Service/Shield Concierge] is not able to fully address your concerns, you can then submit a grievance or ask the [Customer Service/Shield Concierge] representative to submit one for you. If Blue Shield denies authorization or coverage for health care services, you can appeal the denial and Blue Shield will reconsider your request.

You have 180 days after a denial or other incident to submit your grievance to Blue Shield. Your provider, or someone you choose to represent you, can also submit a grievance on your behalf.

The fastest way to submit a grievance is online at blueshieldca.com. You can also submit the form by mail or begin the grievance process by calling [Customer Service/Shield Concierge].

California Department of Managed Health Care review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(855) 664-5577** and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are Experimental or Investigational, and payment disputes for emergency or urgent medical services.

The Department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's internet website **(www.dmhc.ca.gov)** has complaint forms, IMR application forms, and instructions online.

If you feel Blue Shield improperly cancels, rescinds, or does not renew coverage for you or your Dependents, you can submit a request for review to Blue Shield or to the

Director of the California Department of Managed Health Care. Any request for review submitted to Blue Shield will be treated as an expedited grievance request.

Independent medical review

You may be eligible for an independent medical review if your grievance involves a claim or service for which coverage was denied on the grounds that the service is:

- Not Medically Necessary; or
- Experimental or Investigational (including the external review available under the Friedman-Knowles Experimental Treatment Act of 1996).

You can apply to the Department of Managed Health Care (DMHC) for an independent medical review of the denial. For a Medical Necessity denial, you must first submit a grievance to Blue Shield and wait for at least 30 days before requesting an independent medical review. However, if the request qualifies for an expedited review as described above, or if it involves a determination that the requested service is Experimental or Investigational, you may request an independent medical review as soon as you receive a notice of denial from Blue Shield. The DMHC's application for independent medical review is included with your appeal outcome letter.

The DMHC will review your application. If the request qualifies for independent medical review, the DMHC will select an independent review organization to conduct a clinical review of your medical records. You can submit additional records for consideration as well. There is no cost to you for this independent medical review. You and your provider will receive copies of the independent medical review determination. The decision of the independent review organization is binding on Blue Shield. If the reviewer determines that the requested service is clinically appropriate, Blue Shield will arrange for the service to be provided or the disputed claim to be paid.

The independent medical review process is in addition to any other procedures or remedies available to you to resolve coverage disputes. It is completely voluntary. You are not required to participate in the independent medical review process, but if you do not, you may lose your statutory right to pursue legal action against Blue Shield regarding the disputed service.

ERISA review

If your Employer's health plan is governed by the Employee Retirement Income Security Act ("ERISA"), you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved. Additionally, you and your Employer-sponsored plan may have other voluntary alternative dispute resolution options, such as mediation.

Other important information about your plan

This section provides legal and regulatory details that impact your health care coverage. This information is a supplement to the information provided in earlier sections of this document and is part of the contractual agreement between the Subscriber and Blue Shield.

Your coverage, continued

Special enrollment period

For more information about special enrollment periods, see ***Special enrollment period*** on page 43 in the ***Your coverage*** section.

A special enrollment period is a timeframe outside of open enrollment when an Employee or Dependent can enroll in, or change enrollment in, this health plan through the Employer. The special enrollment period is 60 days following the date of a Triggering Event, unless a different period is specified below. When the loss of minimum essential coverage is anticipated, a special enrollment period also precedes the Triggering Event. The following are Triggering Events:

- Loss of minimum essential coverage for a reason other than:
  - Failure to pay premiums on a timely basis (including Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) or Cal-COBRA premiums);
  - A situation that would allow a rescission, such as an intentional misrepresentation of a material fact on the application for coverage; or
  - Other loss of coverage due to the fault of the enrollee. Additional 60-day period before Triggering Event applies.
- Loss or anticipated loss of coverage under an employer-sponsored health plan as a result of:
  - With respect to the Employee:
    - The termination of employment (other than through gross misconduct); or
    - The reduction of hours of employment to less than the number of hours required for eligibility.
  - With respect to the spouse, Domestic Partner and Dependent children:
    - The death of the Subscriber;
    - The termination of the Subscriber's employment (other than through the Subscriber's gross misconduct);
    - The reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility;
    - The divorce or legal separation of the Subscriber from the Dependent spouse or termination of the domestic partnership;
    - The Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare");

        - A Dependent child's loss of Dependent status under the generally applicable requirements of the plan; or
        - The employer files for reorganization under Title XI of the United States Code, commencing on or after July 1, 1986 (COBRA only - when the Subscriber is covered as a retiree).
    - Discontinuation of the employer's contribution toward Subscriber or Dependent coverage.
    - Exhaustion of COBRA or Cal-COBRA continuation coverage.
- Loss of Medi-Cal coverage for pregnancy-related services or loss of access to CHIP unborn child coverage due to the birth of the child. Additional 60-day period before Triggering Event applies.
- Loss of Medicaid medically needy coverage (only once per calendar year). Additional 60-day period before Triggering Event applies.
- The Employee or Dependent was eligible for coverage under the Healthy Families Program or Medi-Cal and such coverage was terminated due to loss of such eligibility, provided that enrollment is requested no later than 60 days after the termination of coverage.
- The Employee or Dependent is eligible for coverage under the Healthy Families Program or Medi-Cal premium assistance program, provided that enrollment is within 60 days of the notice of eligibility for these premium assistance programs.
- Acquiring or becoming a Dependent through marriage, establishment of domestic partnership, birth, adoption, placement for adoption, placement in foster care or through a child support order or other court order.
    - If a parent is required to provide health insurance coverage for a child, and enrollment is requested by the Subscriber parent or upon presentation of a court order or request by the non-Subscriber parent, the local child support agency, or person having custody of the child, or the Medi–Cal program as described in Sections 3751.5 and 3766 of the Family Code.
- An Employee's or Dependent's enrollment or non-enrollment in a health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of Blue Shield, Covered California, or the Department of Health and Human Services (HHS), evaluated and determined by Covered California. In such cases the action may be taken to correct or eliminate the effects of such error, misrepresentation, or inaction.
- An Employee or Dependent demonstrates that they did not enroll in a health plan during the immediately preceding enrollment period available to the individual because they were misinformed that they were covered under minimum essential coverage.
- An Employee or Dependent demonstrates that the health plan in which they are enrolled substantially violated a material provision of its contract in relation to the Employee or Dependent.
- An Employee or Dependent gains access to a new health plans as a result of a permanent move; and
    - Had minimum essential coverage for one or more days during the 60 days preceding the date of the move; or
    - Lived in a foreign country or in a United States territory for one or more days during the 60 days preceding the date of the move.

- An Employee or Dependent is a member of an Indian tribe which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, as described in Title 25 of the United States Code Section 1603 (Special enrollment period is limited to once per month for this event).
- A Subscriber is a victim of domestic abuse or spousal abandonment, is enrolled in minimum essential coverage, and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment. A Dependent of a victim of domestic abuse or spousal abandonment who is on the same application as the victim may enroll in coverage at the same time as the victim.
- A Subscriber or Dependent:
    - Applies for coverage from Covered California during the annual open enrollment period or due to a Triggering Event, is assessed by the exchange as potentially eligible for Medi-Cal, and is determined ineligible for Medi-Cal either after open enrollment has ended or more than 60 days after the Triggering Event; or
    - Applies for Medi-Cal during the annual open enrollment period, and is determined ineligible after open enrollment has ended.
- An Employee or Dependent was receiving services from a contracting provider under another health plan for one of the conditions eligible for completion of Covered Services and that provider is no longer participating in the other health plan.
- An Employee or Dependent is a member of the reserve forces of the United States military returning from active duty or a member of the California National Guard returning from active duty service under Title 32 of the United States Code.
- An Employee or Dependent demonstrates to the exchange, in accordance with HHS guidelines, that the individual meets other exceptional circumstances as the exchange may allow.
- An Employee or Dependent qualifies for continuation coverage as a result of a qualifying event, as described in the *Continuation of group coverage* section of this Evidence of Coverage.

Cancellation for Employer's nonpayment of Premiums

Premium grace period

After payment of the first Premium, your Employer has a 30-day grace period from the due date to pay all outstanding Premiums before coverage is canceled due to nonpayment of Premiums. Coverage will continue through the grace period. However, if your Employer does not pay all outstanding Premiums within the grace period, coverage will end the day following the 30-day grace period. Your Employer will be liable for all Premiums owed, even if coverage is canceled. This includes Premiums for coverage during the 30-day grace period. Blue Shield will send a Notice of End of Coverage to you and your Employer no later than five calendar days after the day coverage ends.

Out-of-area services

Overview

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates (Licensees). Generally, these relationships are called Inter-Plan Arrangements. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever you obtain health care services outside of California, the claims for these services may be processed through one of these Inter-Plan Arrangements.

When you access services outside of California, you may obtain care from one of two kinds of providers. Most providers are participating providers and contract with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). Some providers are non-participating providers because they don't contract with the Host Blue. Blue Shield's payment practices in both instances are described in this section.

The Blue Shield Trio HMO plan provides limited coverage for health care services received outside of California. Out-of-Area Covered Health Care Services are restricted to Emergency Services, Urgent Services, and Out-of-Area Follow-up Care. Any other services will not be covered when processed through an Inter-Plan Arrangement unless authorized by Blue Shield.

See the ***Care outside of California*** section for more information about receiving care while outside of California. To find participating providers while outside of California, visit ***bcbs.com***.

Inter-Plan Arrangements

Emergency Services

Members who experience an Emergency Medical Condition while traveling outside of California should seek immediate care from the nearest Hospital. The

Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition.

BlueCard® Program

Under the BlueCard® Program, when you receive Out-of-Area Covered Health Care Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for the provisions of this Evidence of Coverage. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers, including direct payment to the provider.

The BlueCard® Program enables you to obtain Out-of-Area Covered Health Care Services outside of California, as defined above, from a health care provider participating with a Host Blue, where available. The participating health care provider will automatically file a claim for the Out-of-Area Covered Health Care Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the Member Copayment, Coinsurance, and Deductible amounts, if any, as stated in the Summary of Benefits.

When you receive Out-of-Area Covered Health Care Services outside of California and the claim is processed through the BlueCard® Program, the amount you pay for covered health care services, if not a flat dollar Copayment, is calculated based on the lower of:

- The billed charges for your Out-of-Area Covered Health Care Services; or
- The negotiated price that the Host Blue makes available to Blue Shield.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims as noted above. However, such adjustments will not affect the price Blue Shield used for your claim because these adjustments will not be applied retroactively to claims already paid.

Non-participating providers outside of California

Coverage for health care services provided outside of California and within the BlueCard® Service Area by non-participating providers is limited to Out-of-Area Covered Health Care Services. The amount you pay for such services will normally be based on either the Host Blue's non-participating provider local payment or the pricing arrangements required by applicable state or federal law. In these situations, you will be responsible for any difference between the amount that the non-participating provider bills and the payment Blue Shield will make for Out-of-Area Covered Health Care Services as described in this paragraph.

If you do not see a participating provider through the BlueCard® Program, you will have to pay the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to Blue Shield of California for reimbursement. Blue Shield will review your claim and notify you of its coverage determination within 30 days after receipt of the claim; you will be reimbursed as described in the preceding paragraph. Remember, your share of cost is higher when you see a non-participating provider.

Your Cost Share for out-of-network Emergency Services will be the same as the amount due to a Participating Provider for such Covered Services, as listed in the Summary of Benefits. Blue Shield pays claims for covered Emergency Services based on the Allowed Charges as defined in this Evidence of Coverage.

Blue Shield Global® Core

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (BlueCard® Service Area), you may be able to take advantage of Blue Shield Global® Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global® Core is not served by a Host Blue. As such, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need assistance locating a doctor or hospital outside the BlueCard® Service Area you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week. Provider information is also available online at www.bcbs.com: select "Find a Doctor" and then "Blue Shield Global Core."

Submitting a Blue Shield Global® Core claim

When you pay directly for Out-of-Area Covered Health Care Services outside the BlueCard® Service Area, you must submit a claim to obtain reimbursement. You should complete a Blue Shield Global® Core claim form and send the claim form with the provider's itemized bill to the service center at the address provided on the form to initiate claims processing. The claim form is available from Blue Shield [Customer Service/Shield Concierge], the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week.

Limitation for duplicate coverage

Medicare

Blue Shield will provide Benefits before Medicare when:

- You are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws);

- You are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws); or
- You are eligible for Medicare solely due to end-stage renal disease during the first 30 months you are eligible to receive benefits for end-stage renal disease from Medicare.

Blue Shield will provide Benefits after Medicare when:

- You are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws);
- You are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws);
- You are eligible for Medicare solely due to end-stage renal disease after the first 30 months you are eligible to receive benefits for end-stage renal disease from Medicare; or
- You are retired and age 65 or older.

When Blue Shield provides Benefits after Medicare, your combined Benefits from Medicare and Blue Shield may be lower than the Medicare allowed amount but will not exceed the Medicare allowed amount. You do not have to pay any Blue Shield Deductibles, Copayments, or Coinsurance.

Medi-Cal

Medi-Cal always pays for Benefits last when you have coverage from more than one payor.

Qualified veterans

If you are a qualified veteran, Blue Shield will pay the reasonable value or the Allowed Charges for Covered Services you receive at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, Blue Shield will pay the reasonable value or the Allowed Charges for Benefits you receive at a Department of Defense facility. This includes Benefits for conditions related to military service.

Coverage by another government agency

If you are entitled to receive Benefits from any federal or state governmental agency, by any municipality, county, or other political subdivision, your combined Benefits from that coverage and Blue Shield will equal but not be more than what Blue Shield would pay if you were not eligible for Benefits under that coverage. Blue Shield will provide Benefits based on the reasonable value or the Allowed Charges.

Exception for other coverage

A Participating Provider may seek reimbursement from other third-party payors for the balance of their charges for services you receive under this plan.

If you recover from a third party the reasonable value of Covered Services received from a Participating Provider, the Participating Provider is not required to accept the

fees paid by Blue Shield as payment in full. You may be liable to the Participating Provider for the difference, if any, between the fees paid by Blue Shield and the reasonable value recovered for those services.

Reductions – third-party liability

If you are injured or become ill due to the act or omission of another person (a "third party"), Blue Shield shall, with respect to services required as a result of that injury, provide the Benefits of the plan and have an equitable right to restitution, reimbursement, or other available remedy to recover the amounts Blue Shield paid for services provided to you on a fee-for-service basis from any recovery (defined below) obtained by or on your behalf, from or on behalf of the third party responsible for the injury or illness, and you must agree to the provisions below. In addition, if you are injured and no other person is responsible but you receive (or are entitled to) a recovery from another source, and if Blue Shield paid Benefits for that injury, you must agree to the following provisions.

- All recoveries you or your representatives obtain (whether by lawsuit, settlement, insurance, or otherwise), no matter how described or designated, must be used to reimburse Blue Shield in full for Benefits Blue Shield paid. Blue Shield's share of any recovery extends only to the amount of Benefits it has paid or will pay you or your representatives. For purposes of this provision, your representatives include, if applicable, your heirs, administrators, legal representatives, parents (if you are a minor), successors, or assignees. This is Blue Shield's right of recovery.
- Blue Shield's right to restitution, reimbursement, or other available remedy is against any recovery you receive as a result of the injury or illness. This includes any amount awarded to you or received by way of court judgment, arbitration award, settlement, or any other arrangement, from any third party or third-party insurer, related to the illness or injury (the "Recovery"), whether or not you have been "made whole" by the Recovery. The amount Blue Shield seeks as restitution, reimbursement, or other available remedy will be calculated in accordance with California Civil Code Section 3040.
- Blue Shield will not reduce its share of any Recovery unless, in the exercise of our discretion, Blue Shield agrees in writing to a reduction (1) because you do not receive the full amount of damages that you claimed or (2) because you had to pay attorneys' fees.
- You must cooperate in doing what is reasonably necessary to assist Blue Shield with its right of recovery. You must not take any action that may prejudice Blue Shield's right of recovery.
- You must tell Blue Shield promptly if you have made a claim against another party for a condition that Blue Shield has paid or may pay Benefits for. You must seek recovery of Blue Shield's payments and liabilities, and you must tell us about any recoveries you obtain, whether in or out of court. Blue Shield may seek a first priority lien on the proceeds of your claim in order to be reimbursed to the full amount of Benefits Blue Shield has paid or will pay.

Blue Shield may request that you sign a reimbursement agreement consistent with this provision. Your failure to comply with the above shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield.

Further, if you received services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from you the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such services when payment or reimbursement is received by you for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), YOU ARE ALSO REQUIRED TO DO THE FOLLOWING:

- Ensure that any recovery is kept separate from and not comingled with any other funds or your general assets;
- Agree in writing that the portion of any recovery required to satisfy the lien or other right of recovery of Blue Shield is held in trust for the sole benefit of Blue Shield until such time it is conveyed to Blue Shield; and
- Direct any legal counsel retained by you or any other person acting on your behalf to hold that portion of the recovery to which Blue Shield is entitled in trust for the sole benefit of Blue Shield and to comply with and facilitate the reimbursement to Blue Shield of the monies owed.

Coordination of benefits, continued

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits ensures that benefits paid by multiple group health plans do not exceed 100% of allowable expenses. The coordination of benefits rules also determine which group health plan is primary and prevent delays in benefit payments. Blue Shield follows the rules for coordination of benefits as outlined in the California Code of Regulations, Title 28, Section 1300.67.13 to determine the order of benefit payments between two group health plans:

- When a plan does not have a coordination of benefits provision, that plan will always provide its benefits first. Otherwise, the plan covering you as an Employee will provide its benefits before the plan covering you as a Dependent.
- Coverage for Dependent children:
    - When the parents are not divorced or separated, the plan of the parent whose date of birth (month and day) occurs earlier in the year is primary.
    - When the parents are divorced and the specific terms of the court decree state that one of the parents is responsible for the health care expenses of the child, the plan of the responsible parent is primary.
    - When the parents are divorced or separated, there is no court decree, and the parent with custody has not remarried, the plan of the custodial parent is primary.
    - When the parents are divorced or separated, there is no court decree, and the parent with custody has remarried, the order of payment is as follows:
        - The plan of the custodial parent;
        - The plan of the stepparent; then
        - The plan of the non-custodial parent.

- If the above rules do not apply, the plan which has covered you for the longer period of time is the primary plan. There may be exceptions for laid-off or retired Employees.
- When Blue Shield is the primary plan, Benefits will be provided without considering the other group health plan. When Blue Shield is the secondary plan and there is a dispute as to which plan is primary, or the primary plan has not paid within a reasonable period of time, Blue Shield will provide Benefits as if it were the primary plan.
- Anytime Blue Shield makes payments over the amount they should have paid as the primary or secondary plan, Blue Shield reserves the right to recover the excess payments from the other plan or any person to whom such payments were made.

These coordination of benefits rules do not apply to the programs included in the *Limitation for Duplicate Coverage* section.

Benefit changes, including any reduction in Benefits or elimination of Benefits, apply to services or supplies you receive on or after the effective date of the change.

Notice about Medical Necessity: Benefits are only available for services and supplies that are Medically Necessary. Blue Shield reserves the right to review all claims to determine if a service or supply is Medically Necessary. A Physician or other Health Care Provider's decision to prescribe, order, recommend, or approve a service or supply does not, in itself, make it Medically Necessary.

Manifest MedEx is an independent, not-for-profit organization that maintains a statewide database of electronic patient records that includes health information contributed by doctors, health care facilities, health care service plans, and health insurance companies. Authorized Health Care Providers may securely access their patients' health information through the Manifest MedEx HIE to support the provision of care.

Manifest MedEx respects Members' right to privacy and follows applicable state and federal privacy laws. Manifest MedEx uses advanced security systems and modern data encryption techniques to protect Members' privacy and the security of their personal information. The Manifest MedEx notice of privacy practices is posted on its website at manifestmedex.org.

You have the right to direct Manifest MedEx not to share your health information with your Health Care Providers. Although opting out of Manifest MedEx may limit your Health Care Provider's ability to quickly access important health care information about you, your Blue Shield coverage will not be affected by an election to opt-out of Manifest MedEx. No doctor or Hospital participating in Manifest MedEx will deny medical care to a patient who chooses not to participate in the Manifest MedEx HIE.

If you do not wish to have your health care information displayed in Manifest MedEx, you should fill out the online form at manifestmedex.org/opt-out or call Manifest MedEx at (888) 510-7142.

Notice about confidential communication requests: A health plan shall notify Subscribers and enrollees that they may request a confidential communication pursuant to the following and how to make the request.

A health plan shall permit Subscribers and enrollees to request, and shall accommodate requests for, confidential communication in the form and format requested by the individual, if it is readily producible in the requested form and format, or at alternative locations.

A health plan may require the Subscriber or enrollee to make a request for a confidential communication in writing or by electronic transmission.

The confidential communication request shall be valid until the Subscriber or enrollee submits a revocation of the request or a new confidential communication request is submitted.

The confidential communication request shall apply to all communications that disclose medical information or provider name and address related to receipt of medical services by the individual requesting the confidential communication.

A confidential communication request may be submitted in writing to Blue Shield of California at the mailing address, email address, or fax number at the bottom of this page. A confidential communication form, available by going to blueshieldca.com/privacy and clicking on "privacy forms," may be used when submitting a confidential communication request in writing, but it is not required.

Once in place, a valid confidential communication request prevents Blue Shield from: 1. Requiring the protected individual to obtain the primary Subscriber's or other enrollee's authorization to receive sensitive services or submit a claim for sensitive services if the protected individual has the right to consent to care; and 2. Disclosing medical information relating to sensitive health services provided to a protected individual to the primary Subscriber or any plan enrollees other than the protected individual receiving care, absent an express written authorization of the protected individual receiving care.

Notice of privacy practices

Blue Shield of California and Blue Shield of California Life & Health Insurance Company

This Notice describes how medical information about you, as a Blue Shield member, may be used and disclosed, and how you can get access to your information.

Our privacy commitment

At Blue Shield, we understand the importance of keeping your personal information private, and we take our obligation to do so very seriously.

In the normal course of doing business, we create records about you, your medical treatment, and the services we provide to you. The information in those records is called protected health information (PHI) and includes your individually identifiable personal information such as your name, address, telephone number, and Social Security number, as well as your health information, such as healthcare diagnosis or claim information.

We are required by federal and state law to provide you with this Notice of our legal duties and privacy practices as they relate to your PHI. We are required to maintain the privacy of your PHI and to notify you in the event that you are affected by a breach of unsecured PHI. When we use or give out ("disclose") your PHI, we are bound by the terms of this Notice, which applies to all records that we create, obtain, and/or maintain that contain your PHI.

How we protect your privacy

We maintain physical, technical, and administrative safeguards to ensure the privacy of your PHI. To protect your privacy, only Blue Shield workforce members who are authorized and trained are given access to our paper and electronic records and to non-public areas where this information is stored.

Workforce members are trained on topics including:

- Privacy and data protection policies and procedures, including how paper and electronic records are labeled, stored, filed, and accessed.
- Physical, technical, and administrative safeguards in place to maintain the privacy and security of your PHI.

Our corporate Privacy Office monitors how we follow our privacy policies and procedures, and educates our organization on this important topic.

How we use and disclose your PHI

Uses of PHI without your authorization. We may disclose your PHI without your written authorization if necessary while providing health benefits and services

to you. We may disclose your PHI for the following purposes:

- **Treatment:**
  - To share with nurses, doctors, pharmacists, optometrists, health educators, and other healthcare professionals so they can determine your plan of care.
  - To help you obtain services and treatment you may need – for example, ordering lab tests and using the results.
  - To coordinate your health care and related services with a healthcare facility or professional.
- **Payment:**
  - To obtain payment of premiums for your coverage.
  - To make coverage determinations – for example, to speak to a healthcare professional about payment for services provided to you.
  - To coordinate benefits with other coverage you may have – for example, to speak to another health plan or insurer to determine your eligibility or coverage.
  - To obtain payment from a third party that may be responsible for payment, such as a family member.
  - To otherwise determine and fulfill our responsibility to provide your health benefits – for example, to administer claims.
- **Healthcare operations:**
  - To provide customer service.
  - To support and/or improve the programs or services we offer you.
  - To assist you in managing your health – for example, to provide you with information about treatment alternatives you may be entitled to, or to provide you with healthcare service or treatment reminders.
  - To support another health plan, insurer, or healthcare professional who has a relationship with you, to improve the programs it offers you – for example, for case management or in support of an accountable care organization (ACO) or patient-centered medical home arrangement.
  - For underwriting, dues, or premium rating, or other activities relating to the creation, renewal, or replacement of a contract for health coverage or insurance. Please note, however, that we will not use or disclose your PHI that is genetic information for underwriting purposes – doing so is prohibited by federal law.

We may also disclose your PHI without your written authorization for other purposes, as permitted or required by law. This includes:

- **Disclosures to others involved in your health care.**
  - If you are present or otherwise available to direct us to do so, we may disclose your PHI to others, for example, a family member, a close friend, or your caregiver.
  - If you are in an emergency situation, are not present, are incapacitated, or if you are deceased, we will use our professional judgment to decide whether disclosing your PHI to others is in your best interest. If we do disclose your PHI in a situation where you are unavailable, we will disclose only information that is directly relevant to the person's involvement

with your treatment or for payment related to your treatment. We may also disclose your PHI in order to notify (or assist in notifying) such persons of your location, your general medical condition, or your death.

  - We may disclose your minor child's PHI to the child's other parent.

- **Disclosures to your plan sponsor.** We may disclose PHI to the sponsor of your group health plan, which may be your employer, or to a company acting on behalf of the plan sponsor, so that they can monitor, audit, and otherwise administer the health plan you participate in. Your employer is not permitted to use the PHI we disclose for any purpose other than administration of your benefits. See your plan sponsor's plan documents for information about whether your employer/plan sponsor receives PHI, and for a full explanation of the limited uses and disclosures that the plan sponsor may make of your PHI.
- **Disclosures to vendors and accreditation organizations.** We may disclose your PHI to:
  - Companies that perform certain services on behalf of Blue Shield. For example, we may engage vendors to help us provide information and guidance to members with chronic conditions like diabetes and asthma.
  - Accreditation organizations such as the National Committee for Quality Assurance (NCQA) for quality measurement purposes.

    Please note that before we share your PHI, we obtain the vendor's or accreditation organization's written agreement to protect the privacy of your PHI.
- **Communications.** We may use your PHI to contact you with information about your Blue Shield health plan coverage, benefits, health-related programs and services, treatment reminders, or treatment alternatives available to you. We do not use your PHI for fundraising purposes.
- **Health or safety.** We may disclose your PHI to prevent or lessen a serious and imminent threat to your health or safety, or the health or safety of the general public.
- **Public health activities.** We may disclose your PHI to:
  - Report health information to public health authorities authorized by law to receive such information for the purpose of preventing or controlling disease, injury or disability, or monitoring immunizations.
  - Report child abuse or neglect, or adult abuse, including domestic violence, to a government authority authorized by law to receive such reports.
  - Report information about a product or activity that is regulated by the U.S. Food and Drug Administration (FDA) to a person responsible for the quality, safety, or effectiveness of the product or activity.
  - Alert a person who may have been exposed to a communicable disease, if we are authorized by law to give such a notice.
- **Health oversight activities.** We may disclose your PHI to:
  - A government agency that is legally responsible for oversight of the healthcare system or for ensuring compliance with the rules of government benefit programs such as Medicare or Medicaid.

  - Other regulatory programs that need health information to determine compliance.
- **Research.** We may disclose your PHI for research purposes, but only according to, and as allowed by, law.
- **Compliance with the law.** We may use and disclose your PHI to comply with the law.
- **Judicial and administrative proceedings.** We may disclose your PHI in a judicial or administrative proceeding or in response to a valid legal order.
- **Law enforcement officials.** We may disclose your PHI to the police or other law enforcement officials, as required by law or in compliance with a court order or other process authorized by law.
- **Government functions.** We may disclose your PHI to various departments of the government, such as the U.S. military or the U.S. Department of State, as required by law.
- **Workers' compensation.** We may disclose your PHI when necessary to comply with workers' compensation laws.

Uses of PHI that require your authorization. Other than for the purposes described above, we must obtain your written authorization to use or disclose your PHI. For example, we will not use your PHI for marketing purposes without your prior written authorization, nor will we give your PHI to a prospective employer without your written authorization.

Uses and disclosure of certain PHI deemed "highly confidential." For certain kinds of PHI, federal and state law may require enhanced privacy protection. This includes PHI that is:

- Maintained in psychotherapy notes.
- About alcohol and drug abuse prevention, treatment, and referral.
- About HIV/AIDS testing, diagnosis, or treatment.
- About venereal and/or communicable disease(s).

We can only disclose this type of specially protected PHI with your prior written authorization except when specifically permitted or required by law.

Authorization cancellation. At any time, you may cancel a written authorization that you previously gave us. When submitted to us in writing, the cancellation will apply to future uses and disclosures of your PHI. It will not affect uses or disclosures made previously, while your authorization was in effect.

Your individual rights

You have the following rights regarding the PHI that Blue Shield creates, obtains, and/or maintains about you:

- **Right to request restrictions.** You may ask us to restrict the way we use and disclose your PHI for treatment, payment, and healthcare operations, as explained in this Notice. We are not required to agree to your restriction requests, but we will consider them carefully.

  If we agree to a restriction request, we will abide by it until you request or agree to terminate the restriction. We may also inform you that we are terminating our agreement to a restriction. In that case, the termination will apply only to PHI created or received after we have informed you of the termination.

- **Right to receive confidential communications.** You may ask to receive Blue Shield communications containing PHI by alternative means or at alternative locations. As required by law, and whenever feasible, we will accommodate reasonable requests. We may require that you make your request in writing. If your request involves a minor child, we may ask you to provide legal documentation to support your request.
- **Right to access your PHI.** You may ask to inspect or to receive a copy of certain PHI that we maintain about you in a "designated record set." This includes, for example, records of enrollment, payment, claims adjudication, and case or medical management record systems, and any information we used to make decisions about you. Your request must be in writing. Whenever possible, and as required by law, we will provide you with a copy of your PHI in the form (paper or electronic) and format you request. If you request a copy of your PHI, we may charge you a reasonable, cost-based fee for preparing, copying, and/or mailing it to you. In certain limited circumstances permitted by law, we may deny you access to a portion of your records.
- **Right to amend your records.** You have the right to ask us to correct or amend the PHI that we maintain about you in a designated record set. Your request must be made in writing and explain why you want your PHI amended. If we determine that the PHI is inaccurate or incomplete, we will correct it if permitted by law. If a doctor or healthcare facility created the PHI that you want to change, you should ask them to amend the information.
- **Right to receive an accounting of disclosures.** Upon your written request, we will provide you with a list of the disclosures we have made of your PHI for a specified time period, up to six years prior to the date of your request. However, the list will exclude:
  - Disclosures you have authorized.
  - Disclosures made earlier than six years before the date of your request.
  - Disclosures made for treatment, payment, and healthcare operations purposes, except when required by law.
  - Certain other disclosures that we are allowed by law to exclude from the accounting.

  If you request an accounting more than once during any 12-month period, we will charge you a reasonable, cost-based fee for each accounting report after the first one.
- **Right to name a personal representative.** You may name another person to act as your personal representative. Your representative will be allowed access to your PHI, to communicate with the healthcare professionals and facilities providing your care, and to exercise all other HIPAA rights on your behalf. Depending on the authority you grant your representative, he or she may also have authority to make healthcare decisions for you.
- **Right to receive a paper copy of this Notice.** Upon your request, we will provide a paper copy of this Notice, even if you have agreed to receive the Notice electronically. See the "Notice Availability and Duration" section of this Notice.
