

WORKPLACE VIOLENCE PREVENTION PROGRAM FOR HOFFMAN RESTAURANT GROUP, LLC

Our establishment's Workplace Violence Prevention Plan (WVPP) addresses the hazards known to be associated with the four types of workplace violence as defined by [Labor Code \(LC\) section 6401.9](#).

Date of Last Review: 7/1/2024

Date of Last Revision(s): 7/1/2024

DEFINITIONS

Emergency - Unanticipated circumstances that can be life threatening or pose a risk of significant injuries to employees or other persons.

Engineering controls - An aspect of the built space or a device that removes a hazard from the workplace or creates a barrier between the employee and the hazard.

Log - The violent incident log required by LC section 6401.9.

Plan - The workplace violence prevention plan required by LC section 6401.9.

Serious injury or illness - Any injury or illness occurring in a place of employment or in connection with any employment that requires inpatient hospitalization for other than medical observation or diagnostic testing, or in which an employee suffers an amputation, the loss of an eye, or any serious degree of permanent disfigurement, but does not include any injury or illness or death caused by an accident on a public street or highway, unless the accident occurred in a construction zone.

Threat of violence - Any verbal or written statement, including, but not limited to, texts, electronic messages, social media messages, or other online posts, or any behavioral or physical conduct, that conveys an intent, or that is reasonably perceived to convey an intent, to cause physical harm or to place someone in fear of physical harm, and that serves no legitimate purpose.

Workplace violence - Any act of violence or threat of violence that occurs in a place of employment.

Workplace violence includes, but is not limited to, the following:

- The threat or use of physical force against an employee that results in, or has a high likelihood of resulting in, injury, psychological trauma, or stress, regardless of whether the employee sustains an injury.
- An incident involving a threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether the employee sustains an injury.
- The following four workplace violence types:
 - a. **Type 1 violence** - Workplace violence committed by a person who has no legitimate business at the worksite, and includes violent acts by anyone who enters the workplace or approaches employees with the intent to commit a crime.
 - b. **Type 2 violence** - Workplace violence directed at employees by customers, clients, patients, students, inmates, or visitors.
 - c. **Type 3 violence** - Workplace violence against an employee by a present or former employee, supervisor, or manager.
 - d. **Type 4 violence** - Workplace violence committed in the workplace by a person who does not work there, but has or is known to have had a personal relationship with an employee.

Workplace violence does not include lawful acts of self-defense or defense of others.

Work practice controls - Procedures and rules which are used to effectively reduce workplace violence hazards.

RESPONSIBILITY

The WVPP administrator, Adam Hoffman, has the authority and responsibility for implementing the provisions of this plan for Hoffman Restaurant Group, LLC.

All managers and supervisors are responsible for implementing and maintaining the WVPP in their work areas and for answering employee questions about the WVPP.

PROCEDURES FOR EMPLOYEE INVOLVEMENT IN DEVELOPING AND IMPLEMENTING THE PLAN

Hoffman Restaurant Group, LLC ensures the following policies and procedures to obtain the active involvement of employees and authorized employee representatives in developing and implementing the plan:

- Management will work with and allow employees and authorized employee representatives to participate in:
 - Identifying, evaluating, and determining corrective measures to prevent workplace violence. For example, Management will have safety meetings with employees and their representatives to discuss identification of workplace violence related concerns/hazards, evaluate those hazards and/or concerns, and how to correct them. These meetings could involve brainstorming sessions, discussions of recent incidents, and reviews of safety procedures.
 - Designing and implementing training. For example, an employee might suggest a new training scenario based on a recent incident.
 - Reporting and investigating workplace violence incidents.
- Management will ensure that all workplace violence policies and procedures within this written plan are clearly communicated and understood by all employees. Managers and supervisors will enforce the rules fairly and uniformly.
- All employees will follow all workplace violence prevention plan directives, policies, and procedures, and assist in maintaining a safe work environment. These are outlined further in this document as well as on Pathway.
- The plan shall be in effect at all times and in all work areas and be specific to the hazards and corrective measures for each work area and operation.

COORDINATION WITH OTHER EMPLOYERS

Hoffman Restaurant Group, LLC will implement the following effective procedures to coordinate implementation of its plan with other employers to ensure that those employers and employees understand their respective roles, as provided in the plan.

- All employees will be trained on workplace violence prevention.
- Workplace violence incidents involving any employee are reported, investigated, and recorded.

PROCEDURES FOR HANDLING AND RESPONDING TO REPORTS OF WORKPLACE VIOLENCE

All threats or acts of workplace violence should be reported to directly to the WVPP administrator, Adam Hoffman. Reports should be sent via the link on the cfateam.org website. A strict non-retaliation policy is in place, and any instances of retaliation are dealt with swiftly and decisively. Consequences for violating the non-retaliation policy include discipline or even termination. Reports will be handled by the WVPP administrator as quickly as possible and will be documented in a spreadsheet that coordinates with the incident log.

EMPLOYEE COMPLIANCE

Our system to ensure that employees comply with the rules and work practices that are designed to make the workplace more secure, and do not engage in threats or physical actions which create a security hazard for others in the workplace, include at a minimum:

- Training employees, supervisors, and managers in the provisions of Hoffman Restaurant Group, LLC Workplace Violence Prevention Plan (WVPP)
- Effective procedures to ensure that supervisory and nonsupervisory employees comply with the WVPP.
- Provide retraining to employees whose safety performance is deficient with the WVPP.
- Recognizing employees who demonstrate safe work practices that promote the WVPP in the workplace by posting recognition in employee communication channels.
- Discipline for employees who fail to comply with the WVPP in accordance with procedures set forth in the

COMMUNICATION WITH EMPLOYEES

We recognize that open, two-way communication between our management team, staff, and other employees, about workplace violence issues is essential to a safe and productive workplace. The following communication system is designed to facilitate a continuous flow of workplace violence prevention information between management and staff in a form that is readily understandable by all employees, and consists of one or more of the following:

- New employee training includes workplace violence prevention policies and procedures.
- Workplace violence prevention training programs.
- Regularly scheduled meetings that address security issues and potential workplace violence hazards
- Effective communication between employees and supervisors about workplace violence prevention and violence concerns. This can happen using messaging tools like Slack, as well as reporting tools available on the cfateam.org website.
- Posted or distributed workplace violence prevention information.
- How employees can report a violent incident, threat, or other workplace violence concern to employer or law enforcement without fear of reprisal or adverse action. Employees can report incidents thru the cfateam.org website either with their name, or anonymously. For emergency responses, please call 911.
- Employees will not be prevented from accessing their mobile or other communication devices to seek emergency assistance, assess the safety of a situation, or communicate with a person to verify their safety. Employees' concerns will be investigated in a timely manner and they will be informed of the results of the investigation and any corrective actions to be taken. Employee's concerns can be reported using the cfateam.org website.
- Updates on the status of investigations and corrective actions are provided to employees through email and Slack. These updates could include information about the progress of investigations, the results of investigations, and any corrective actions taken.

EMERGENCY RESPONSE PROCEDURES

Hoffman Restaurant Group, LLC has in place the following specific measures to handle actual or potential workplace violence emergencies:

- Effective means to alert employees of the presence, location, and nature of workplace violence emergencies by the following Slack, email, and verbal warnings.
- Hoffman Restaurant Group, LLC will have evacuation or sheltering plans. We will evacuate to the Walmart parking lot and shelter in place in the walk in cooler.
- Call 911 to obtain help from law enforcement. And then notify Adam Hoffman at 919-696-0264.

TRAINING AND INSTRUCTION

All employees, including managers and supervisors, will have training and instruction on general and job-specific workplace violence practices. These sessions could involve presentations, discussions, and practical exercises.

Training and instruction will be provided as follows:

- When the WVPP is first established.
- Annually to ensure all employees understand and comply with the plan.
- Whenever a new or previously unrecognized workplace violence hazard has been identified and when changes are made to the plan. The additional training may be limited to addressing the new workplace violence hazard or changes to the plan.

Hoffman Restaurant Group, LLC will provide its employees with training and instruction on the definitions found on page 1 of this plan and the requirements listed below:

- The employer's WVPP, how to obtain a copy of the employer's plan at no cost, and how to participate in development and implementation of the employer's plan.
- How to report workplace violence incidents or concerns to the employer or law enforcement without fear of reprisal.
- Workplace violence hazards specific to the employees' jobs, the corrective measures Hoffman Restaurant Group, LLC has implemented, how to seek assistance to prevent or respond to violence, and strategies to

avoid physical harm.

- The violent incident log and how to obtain copies of records pertaining to hazard identification, evaluation and correction, training records, and violent incident logs.
- Opportunities Hoffman Restaurant Group, LLC has for interactive questions and answers with a person knowledgeable about the Hoffman Restaurant Group, LLC plan.
- Strategies to avoid/prevent workplace violence and physical harm, such as:
 - How to recognize workplace violence hazards including the risk factors associated with the four types of workplace violence.
 - Ways to defuse hostile or threatening situations.
- How to recognize alerts, alarms, or other warnings about emergency conditions and how to use identified escape routes or locations for sheltering.
- Employee routes of escape.
- Emergency medical care provided in the event of any violent act upon an employee

WORKPLACE VIOLENCE HAZARD IDENTIFICATION AND EVALUATION

The following policies and procedures are established and required to be conducted by Hoffman Restaurant Group, LLC to ensure that workplace violence hazards are identified and evaluated:

- Inspections shall be conducted when the plan is first established, after each workplace violence incident, and whenever the employer is made aware of a new or previously unrecognized hazard.
- Review all submitted/reported concerns of potential hazards within 24 hours after they are reported via the online form at cfateam.org.

Periodic Inspections

Periodic inspections of workplace violence hazards will identify unsafe conditions and work practices. This may require assessment for more than one type of workplace violence. Periodic Inspections shall be conducted annually.

Periodic inspections to identify and evaluate workplace violence and hazards will be performed by Adam Hoffman and he will inspect the entire restaurant.

Inspections for workplace violence hazards include assessing:

- The exterior and interior of the workplace for its attractiveness to robbers.
- The need for violence surveillance measures, such as mirrors and cameras.
- Procedures for employee response during a robbery or other criminal act, including our policy prohibiting employees, who are not security guards, from confronting violent persons or persons committing a criminal act.
- Procedures for reporting suspicious persons or activities.
- Effective location and functioning of emergency buttons and alarms.
- Posting of emergency telephone numbers for law enforcement, fire, and medical services.
- Whether employees have access to a telephone with an outside line.
- Whether employees have effective escape routes from the workplace.
- Whether employees have a designated safe area where they can go to in an emergency.
- Adequacy of workplace security systems, such as door locks, entry codes or badge readers, security windows, physical barriers, and restraint systems.
- Frequency and severity of threatening or hostile situations that may lead to violent acts by persons who are service recipients of our establishment.
- Employees' skill in safely handling threatening or hostile service recipients (example: security guards).
- Effectiveness of systems and procedures that warn others of actual or potential workplace violence danger or that summon assistance, e.g., alarms or panic buttons.
- The use of work practices such as the "buddy" system for specified emergency events.
- The availability of employee escape routes.
- How well our establishment's management and employees communicate with each other.
- Access to and freedom of movement within the workplace by non-employees, including recently

- discharged employees or persons with whom one of our employees is having a dispute.
- Frequency and severity of employees' reports of threats of physical or verbal abuse by managers, supervisors, or other employees.
- Any prior violent acts, threats of physical violence, verbal abuse, property damage or other signs of strain or pressure in the workplace.

WORKPLACE VIOLENCE HAZARD CORRECTION

Workplace violence hazards will be evaluated and corrected in a timely manner. Hoffman Restaurant Group, LLC will implement the following effective procedures to correct workplace violence hazards that are identified:

- If an imminent workplace violence hazard exists that cannot be immediately abated without endangering employee(s), all exposed employee(s) will be removed from the situation except those necessary to correct the existing condition. Employees necessary to correct the hazardous condition will be provided with the necessary protection.
- All corrective actions taken will be documented and dated via the excel file created by online form on cfateam.org.
- Corrective measures for workplace violence hazards will be specific to a given work area.

For Example:

- Make the workplace unattractive to robbers by:
 - Improve lighting around and at the workplace.
 - Post of signs notifying the public that limited cash is kept on the premises and that cameras are monitoring the facility.
 - Utilize surveillance measures, such as cameras and mirrors, to provide information as to what is going on outside and inside the workplace and to dissuade criminal activity.
 - Hire security guards and have them patrol the workplace interior and perimeter.
 - Install security surveillance cameras in and around the workplace.

PROCEDURES FOR POST INCIDENT RESPONSE AND INVESTIGATION

After a workplace incident, the WVPP administrator or their designee will implement the following post-incident procedures:

- Visit the scene of an incident as soon as safe and practicable.
- Interview involved parties, such as employees, witnesses, law enforcement, and/or security personnel.
- Review security footage of existing security cameras if applicable.
- Examine the workplace for security risk factors associated with the incident, including any previous reports of inappropriate behavior by the perpetrator.
- Determine the cause of the incident.
- Take corrective action to prevent similar incidents from occurring.
- Record the findings and ensuring corrective actions are taken.
- Obtain any reports completed by law enforcement.
- The violent incident log will be used for every workplace violence incident and will include information, such as:
 - The date, time, and location of the incident.
 - The workplace violence type or types involved in the incident.
 - A detailed description of the incident.
 - A classification of who committed the violence, including whether the perpetrator was a client or customer, family or friend of a client or customer, stranger with criminal intent, coworker, supervisor or manager, partner or spouse, parent or relative, or other perpetrator.
 - A classification of circumstances at the time of the incident, including, but not limited to, whether the employee was completing usual job duties, working in poorly lit areas, rushed, working during a low staffing level, isolated or alone, unable to get help or assistance, working in a community setting, or working in an unfamiliar or new location.
 - A classification of where the incident occurred, such as in the workplace, parking lot or other area outside the workplace, or other area.

- The type of incident, including, but not limited to, whether it involved any of the following:
 - Physical attack without a weapon, including, but not limited to, biting, choking, grabbing, hair pulling, kicking, punching, slapping, pushing, pulling, scratching, or spitting.
 - Attack with a weapon or object, including, but not limited to, a firearm, knife, or other object.
 - Threat of physical force or threat of the use of a weapon or other object.
 - Sexual assault or threat, including, but not limited to, rape, attempted rape, physical display, or unwanted verbal or physical sexual contact.
 - Animal attack.
 - Other.
- Consequences of the incident, including, but not limited to:
 - Whether security or law enforcement was contacted and their response.
 - Actions taken to protect employees from a continuing threat or from any other hazards identified as a result of the incident.
 - Information about the person completing the log, including their name, job title, and the date completed.
- Reviewing all previous incidents.
- Provide additional support and resources, such as counseling services, as needed.

Ensure that no personal identifying information is recorded or documented in the written investigation report. This includes information which would reveal identification of any person involved in a violent incident, such as the person's name, address, electronic mail address, telephone number, social security number, or other information that, alone or in combination with other publicly available information, reveals the person's identity.

REVIEW AND REVISION OF THE WVPP

The Hoffman Restaurant Group, LLC WVPP will be reviewed for effectiveness:

- At least annually.
- When a deficiency is observed or becomes apparent.
- After a workplace violence incident.
- As needed.

Review and revision of the WVPP will include the procedures listed in the EMPLOYEE ACTIVE INVOLVEMENT section of this WVPP, as well as the following procedures to obtain the active involvement of employees and authorized employee representatives in reviewing the plan's effectiveness:

- Review of Hoffman Restaurant Group, LLC's WVPP should include, but is not limited to:
 - Review of incident investigations and the violent incident log.
 - Assessment of the effectiveness of security systems, including alarms, emergency response, and security personnel availability (if applicable).
